Brubels A Cultural And Literary Companion:

Streets of Splendor Anneleen Arnout, 2018-10-10 This book addresses the unresolved question of how urban retailing and consumption changed during the nineteenth and early twentieth centuries It replaces the usual focus on just one type of shopping institution with that of the urban shopping landscape in its entirety Based on secondary sources for comparable cities and an in depth empirical analysis of primary sources for Brussels the author demonstrates that the unbridled commercialisation of cities in the nineteenth century cannot be understood without taking into account the entirety of the shopping landscape Through a quantitative and qualitative analysis she shows how and why the culture and spaces of shopping evolved
