Btaudrey Hepburns Enchanted Tales:

On Audrey Hepburn Steven Cohan,2024 Why should Audrey Hepburn still matter today This book revises the contemporary view of Hepburn that sees her primarily as a fashion icon and style guru It argues that her films more than her biography or her likeness are essential to understanding both her importance as one of the all time major stars to emerge in Hollywood after World War II and her lasting popularity On Audrey Hepburn examines her screen presence and persona while at the same time emphasizing her skill as an actress While cognizant of the many contradictions inhering in her films the book examines the liminality she represented in her comedies and musicals demonstrating how her characters desiring and intelligence supply the primary motors of the plots resist the films patriarchal template and complicate her asymmetrical casting opposite older male stars Moreover Hepburn s close relation with designer Hubert de Givenchy which established her identification with haute couture enabled her characters movement onscreen and was a basis for understanding transformation through fashion as an turning point event in the narrative which forged a pathway through spectacle for viewer identification with Hepburn s difference as symbolized by her unorthodox body which the clothes did not disguise but amplified On Audrey Hepburn finally examines her skilful performances in thrillers and dramas studying her expert timing and use of props her expressive face as it revealed interior emotions and thinking her interaction with other actors in an ensemble and the overall nuance with which she developed complex characterizations *The Audrey Hepburn Estate* Brenda Janowitz,2023-04-18 One woman Two childhood loves The dazzling place where it all began An exciting emotional page turner KRISTIN HARMEL New York Times bestselling author A CBS New York Book Club Pick When Emma Jansen discovers that the grand Long Island estate where she grew up is set to be demolished she can t help but return for one last visit After all it was a place filled with firsts learning to ride a bike sneaking a glass of champagne falling in love But once Emma arrives at the storied mansion she can t ignore the more complicated memories Because that s not exactly where Emma grew up Her mother and father worked for the family that owned the estate and they lived over the garage like Audrey Hepburn s character in the film Sabrina Emma never felt fully accepted except by the family s grandson Henry a former love and by the driver s son Leo her best friend As plans for the property are put into motion and the three are together for the first time in over a decade Emma finds herself caught between two worlds and two loves And when the house reveals a shattering secret about her own family she ll have to decide what kind of life she really wants for herself now and who she wants to be in it Readers will find themselves engrossed by this absolute treat of a book PAM JENOFF New York Times bestselling author *Audrey Hepburn* Michael Heatley,2017-05 Through discussions of Audrey Hepburn s film charity work reminiscences from friends and collaborators and photographs of her various looks over the years this book reveals the woman and the icon **Audrey Hepburn** Tom Santopietro,2025-03-18 This is the definitive tribute to the glamor and character of a beloved icon including rarely published details photographs and stories about the lasting impact of Audrey

Audrey Hepburn Suzanne Lander, 2018-05-01 I never understood what makes me so special mused Audrey Hepburn The daughter of a Dutch baroness Hepburn first won international acclaim with her role as a princess in the 1953 film Roman Holiday and she maintained a rare grace and elegance throughout her life that millions have adored and tried to emulate Audrey Hepburn A Photographic Celebration showcases the film star who also worked as a UNICEF goodwill ambassador This book is packed with great quotes from the woman herself and those who admire her including Hollywood directors and movie stars as well as engaging trivia and beautiful images of Audrey in all phases of her career I've been in pictures over thirty years but I've never had a more exciting leading lady than Audrey enthused Gary Cooper her Love in the Afternoon costar Audrey Hepburn A Photographic Celebration features everybody's favorite leading lady with her leading men including such luminaries as Gregory Peck Fred Astaire George Peppard Albert Finney William Holden Humphrey Bogart Henry Fonda Rex Harrison Peter O Toole Sean Connery Richard Dreyfuss and Cary Grant along with her real life costar her first husband Mel Ferrer This lovely book about this classic lady will delight both the casual and die hard Audrey fan as well as anyone with an eye for classic elegance

Audrey Hepburn Jessica Bailey, 2020-11-14 At a time when Hollywood was devoted to its screen sirens with their luscious curves and pouting lips Audrey Hepburn was just that little bit different Her contemporaries such as Marilyn Monroe and Elizabeth Taylor were much more robust in their appearance and oozed sex appeal both on set and off Hepburn by 1950s standards was far too lanky and skinny and perhaps appeared a bit too fragile

However she brought a sophistication that was quite unlike anything that had gone before Tall and slim with large feet Hepburn brought a refreshing beauty to the world of stardom and glamour Her style was simple yet elegant and is still as much revered in the fashion of the 21st Century as it was in her heyday This book celebrates the story of a young girl who quickly rose to fame with her impressive film career and beautiful grace Her personal life humanitarian work and her impact on fashion today as a true style icon is also explored for this revered Hollywood legend *100 Reasons to Love Audrey Hepburn* Joanna Benecke, 2016-11-01 Fashion goddess UNICEF heroine Givenchy's twinkly eyed muse there'll never be anyone quite like Audrey Hepburn But there's more to the effortlessly classy Hollywood starlet than meets the eye Did you know for instance that Audrey kept a pet fawn named Pippin That she was a gifted linguist fluent in five different languages That she inherited her poise from a Dutch baroness mother That there's a breed of snowy tulip named after her Or perhaps that Henry Mancini wrote Moon River especially for her Filled with fascinating facts and stunning photos 100 Reasons to Love Audrey Hepburn reveals the woman behind the little black dress *Audrey Hepburn: Biography of Hollywood's Greatest Movie Actress* Sara McEwen, 2012-07-30 ABOUT THE BOOK Audrey Hepburn was a rare beauty who managed to be just as graceful and captivating on the inside as she was on the outside Her lithe dancer's body large dark eyes and effortlessly chic clothing have made Hepburn a fashion icon for decades no matter how many other trends may come and go At the same time Hepburn's refined and charming personality captured her fans hearts and her charity work was an important part of her life up until her final years With her characteristic and unique blend of tomboy ballerina and socialite personas Hepburn worked hard to make her way into the ranks of Hollywood A-listers but never forgot to stay true to her roots and genuinely care for those in need After a childhood that was marked with tragedy and hardship from losing her father to enduring the trials of World War II Hepburn persevered and quickly became a role model for many people She showed the world that it was possible to have a blend of poise and playfulness to be a movie star and a humanitarian at the same time EXCERPT FROM THE BOOK In the late 1980s however Hepburn turned her attention to charity work and humanitarian projects Ever since her own struggles in the war Hepburn had been focused on UNICEF's efforts usually by acting as a spokesperson Now that her movie career was over Hepburn was able to travel and work firsthand with the struggling and underserved populations of countries such as Ethiopia and Turkey She traveled the world to help with UNICEF's education programs and relief efforts Hepburn also used her celebrity to bring attention to the problems of struggling countries and population solidifying her reputation as not just a beautiful face but also as a dedicated and kind hearted diplomat and humanitarian In 1992 following a trip to Somalia Hepburn felt concerned about some strange abdominal pains When she went to a medical professional her whole family was stunned to learn that Hepburn had a rare form of abdominal cancer It had already spread too far for surgery to be successful Knowing that she was nearing her final days Hepburn and her family went to Switzerland to spend time together Hepburn died in her sleep on January 20 1993
