Buch Des Jahres 1983:

The Roman World J. S. Wachter, 2002 When originally published in 1987 this book was hailed as a landmark in the study of the Roman World Now back in print with a new preface by the author it is still the most comprehensive survey of the Roman World available Ranging from the founding of Rome in the eighth century BC and throughout the Empire and beyond this book will continue to be an essential resource on the subject for many years to come **Byzantium, Pliska, and the Balkans** Joachim Henning, 2009-05-05 MILLENNIUM pursues an interdisciplinary approach transcending historical eras The editorial board and the advisory board represent a wide range of disciplines contributions from art and literary studies are just as welcome as historical theological and philosophical contributions on both the Latin and Greek and the Oriental cultures The STUDIES present relevant monographs or collections of papers from across the whole range of topics The YEARBOOK contains authoritative articles As the links between the various articles are sketched out in a comprehensive editorial their diversity is intended to encourage dialogue between the disciplines and national research cultures MILLENNIUM does not publish individual reviews but does on occasions produce literature surveys The languages of publication are principally English and German but articles in French Italian and Spanish can also be accommodated
