Buck Keller Cox,Raymond L. Frazier,1982-12-01 *Buck* Keller Cox,Raymond L. Frazier,1982 **Remembered Prisoners of a Forgotten War** Lewis H. Carlson,2025-06-25 Remembered Prisoners of a Forgotten War presents a devastating oral history of Korean War POWs The Korean War POW remains the most maligned victim of all American wars For nearly half a century the media general public and even scholars have described hundreds of these prisoners as brainwashed victims who uncharacteristically caved in to their Communist captors or even worse as turncoats who betrayed their fellow soldiers In either case these boys apparently lacked the right stuff required of our brave sons Here at long last is a chance to hear the true story of these courageous men in their own words a story that until now has gone largely untold Dr Carlson debunks many of the popular myths of Korean War POWs in this devastating oral history that s as compelling and moving as it is informative From the Tiger Death March to the paranoia here at home Korean POWs suffered injustices on a scale few can comprehend More than 40 percent of the 7 140 Americans taken prisoner died in captivity and as haunting tales of the survivors unfold it becomes clear that the goal of these men was simply to survive under the most terrible conditions Each survivor s story is a unique and personal experience from missionary teacher Larry Zeller s imprisonment in the death cells of P yongyang and his first encounter with the infamous killer known as The Tiger to Rubin Townsend s daring escape from a death march by jumping off a bridge in a blinding snowstorm From capture to forced marches isolation permanent camps and torture Remembered Prisoners of a Forgotten War is one of the most fascinating and disturbing books on the Korean War in years and a brutally honest account of the Korean POW experience in the survivors own words **U.S. Prisoners of War in the Korean War** Arden A.
