

THE BUCK IN THE SNOW

& Other Poems by

Edna St. Vincent Millay

This is the first book of poems by Edna St. Vincent Millay in five years. Last year saw the publication of *The King's Henchman*, a dramatic poem of rare beauty which furnished the libretto for the opera of the same name. This work, produced at the Metropolitan Opera House, was an instant success and has been acclaimed by the critics as the most distinguished contribution of any American poet to the operatic stage.

The Buck in the Snow is a collection of the lyrics Miss Millay has written since 1924. It is a book that will give lasting pleasure to all who care for real poetry. No living writer occupies a position comparable to that held by Miss Millay in the affections of a great reading public and in the esteem of critics of literature. The fine quality of *The Buck in the Snow* will serve but to confirm her unique distinction.
