A NOVEL

IVAN DOIG

Bucking The Sun

JG Myers

Bucking The Sun:

Bucking the Sun Ivan Doig, 2013-07-09 Bucking the Sun is the story of the Duff family homesteaders driven from the Montana bottomland to work on one of the New Deal's most audacious projects the damming of the Missouri River Through the story of each family member a wrathful father a mettlesome mother and three very different sons and the memorable women they marry Doig conveys a sense of time and place that is at once epic in scope and rich in detail

Bucking the Sun Ivan Doig, 1996-06-01 Around this eye of the cyclone family swirls the epic that was Fort Peck and its cast of thousands of men and women politicians and prostitutes drawn by the workers who labored above below and beside the river through sweltering heat and winters so savage ice formed inside their shanties And always there is the river restlessly eddying toward a tragedy that will entrap some and pardon others I have long felt about Ivan Doig's books much as Will Rogers must have felt about his fellow human beings I've never met one I didn't like Doig has concentrated his immense writing talents on telling this epic tale

...And Egypt is the River Michael S. Judge, 2013-09-21 And Egypt Is the River is a collection of mystical prose poems which the author describes as an attempt based on the linguistic theories of R W Emerson Ernest Fenollosa and Hugh Kenner among others to trace the evolution of cosmology and myth as derived from a people's immediate sensory experience In one sense it is an exploration of the genesis of language the primal utterances that

transcend from the physical world of sound denoting object to how images come to bring about self awareness and fuse shared mythologies or as the poet would say impact that compels words that collect in fossil tidepools of the skull 15th Triennial Conference, New Delhi, 22-26 September 2008 ICOM Committee for Conservation.
