Budapest Diary:

Budapest Diary: In Search of the Motherbook Susan Rubin Suleiman, 2019-08-10 Can you forget the place you once called home What does it take to make you recapture it In this moving memoir Susan Rubin Suleiman describes her returns to the city of her birth where she speaks the language like a native but with an accent Suleiman left Budapest in 1949 as a young child with her parents fleeing communism thirty five years later she returned with her two sons for a brief vacation and began to remember her childhood Her earliest memories of Nazi persecution in the final year of World War II came back to her in fragments as did memories of her first school years after the war and of the stormy marriage between her father a brilliant Talmudic scholar and her mother a cosmopolitan woman from a more secular Jewish family In 1993 after the fall of communism and the death of her mother Suleiman returned to Budapest for a six month stay She recounts her ongoing quest for personal history interweaving it with the stories of present day Hungarians struggling to make sense of the changes in their individual and collective lives Suleiman s search for documents relating to her childhood the lives of her parents and their families and the Jewish communities of Hungary and Poland takes her on a series of fascinating journeys within and outside Budapest Emerging from this eloquent often suspenseful diary is the portrait of an intellectual who recaptures her past and comes into contact with the vital troubling world of contemporary Eastern Europe Suleiman s vivid descriptions of her encounters with a proud old city and its people in a time of historical change remind us that every life story is at once unique and part of a larger history I recommend this autobiographical narrative because it is grave and beautiful Better still it is shatteringly truthful Elie Wiesel Susan Rubin was a little girl when her parents fled through darkened fields to escape the Communist regime in Hungary in 1949 This is a poignant piece of self revelation sprinkled with some trenchant observations on the way the dead hand of history has weighed down the former Warsaw Pact countries Kirkus A fascinating revealing journal brutally honest Publishers Weekly This pensive forthright journal records Suleiman s efforts to reconnect with a long forgotten homeland Booklist Suleiman lyrically describes her quest and the complex interaction of the Eastern Europe of the past and present Boston Globe A tale of survival adaptation and pure luck whose darker side reveals the linguistic and emotional cost of emigration and exile the feeling of permanent displacement of being nowhere at home Forward This story must speak to all those who have fled and who have ever dreamed of a return Independent Jewish Women s Magazine A thoughtful and sophisticated memoir You don t have to be Hungarian or Jewish to appreciate writing like this Montreal Gazette

Worlds of Hungarian Writing András Kiséry, Zsolt Komáromy, Zsuzsanna Varga, 2016-05-12 Worlds of Hungarian Writing responds to the rapidly growing interest in Hungarian authors throughout the English speaking world Addressing an international audience the essays in the collection highlight the intercultural contexts that have molded the conventions genres and institutions of Hungarian writing from the nineteenth century to the present They are mapping some of the ways in which a modern literature is produced by encounters with languages cultures and media external to its

traditionally conceived boundaries But rather than viewing intercultural exchange as an external force the collection recognizes its enabling importance to the globalizing reception and circulation of Hungarian writing over the continuities and constraints implied by more traditional national narratives Worlds of Hungarian Writing posits intercultural exchange as the very substance of a literary culture Discussions of the politics of appropriation and translation of the impact of migr writers and critics and of the use of world literary models in genre formation complement studies of the fate of western leftist critical theory in post 1989 Hungary of the role of African American models in contemporary Roma culture and of the use of photography in late 20th century prose The volume spans a wide generic range from the achievements of such canonical 19th century critics and poets as J zsef Bajza and J nos Arany to neglected women authors translators such as Theresa Pulszky to modernist writers and critics like Antal Szerb and Gy rgy Luk cs and to the contemporary novelists P ter Esterh zy P ter N das and L szl Krasznahorkai Each essay is an original contribution to comparative literature and to the study of this Central European literature but is intended to be accessible to readers unfamiliar with its traditions

István Szabó Susan Rubin Suleiman, 2024-01-25 Istv n Szab is one of the few Hungarian filmmakers to have earned a major international reputation over the past half century This thoughtful and original book is the first examination of Szab s contribution to contemporary thought engaging the troubled history of Europe in the 20th and 21st centuries Istv n Szab s importance as a filmmaker lies

not only in his attention to film's formal elements but in his deep and ongoing engagement with some of the most urgent ethical and existential questions of our time. With detailed analyses of István Szabó's major films from his 1960s works to his Academy Award for Best Foreign Film winner *Mephisto* and on through Szabó's last film in 2020 *Final Report*, Susan Rubin Suleiman focuses on four important questions pertaining to existential choice: to leave home or to stay in a communist country; to collaborate or not with an authoritarian regime; to affirm or to deny one's Jewishness in the face of antisemitism; to seek or to give up on community in the face of individual or national conflicts. Above all, Suleiman addresses the single most important philosophical question that haunts Szabó's work as it does that of many other Central European intellectuals and filmmakers of our time: That is, how do individuals attempt through the life choices they make or that are foisted on them to create a viable self in extreme historical situations over which they have no control.

The Holocaust Diaries: Book V
 Leo V. Kanawada, Jr., 2010-11-18
 Book Five: THE INNOCENCE OF THE JUST
 The Holocaust in Hungary and Slovakia during World War II. In 1944, Hitler refuses to abandon his plans to deport the last remaining huge concentration of Jews in Europe. Over one million Jews live relatively untouched in Hungary. He calls for the renovation and enlargement of the Auschwitz concentration camp in Poland. It's only at this time that Roosevelt and the rest of the world learn the truth about Auschwitz and the extermination camps of Poland. To bomb the camps then becomes a grave issue. Discovering also from these covert reports that Heinrich Himmler, Hitler's second in command and head of the SS, is willing to secretly negotiate with Roosevelt to end the war, Roosevelt sees the opportunity to preserve even more of the Jews in Europe. He decides to use them as his bargaining chip and sole condition for opening negotiations with Himmler. In the meantime, under the guise of needing a hundred thousand able-bodied Hungarian laborers and their families for the war effort back in Germany, Hitler hoodwinks the elderly Regent of Hungary, Miklós Horthy, and oversees a swift occupation of Hungary in March of 1944 by his Wehrmacht. Over four hundred thousand Jews are deported to Auschwitz in less than two months' time by Adolf Eichmann's SS and the newly installed pro-Nazi and pro-German quisling Hungarian government and its thousands of rightist police. When Horthy learns the truth about Auschwitz and receives pressure from Roosevelt and the Vatican, he re-exerts his authority and halts the deportations. After an assassination attempt on Hitler in July of 1944, Himmler is encouraged by his associates to also exert his authority and approach Roosevelt's representatives in Switzerland to initiate serious negotiations to bring about a separate peace and an end to the persecution of the Jews.

 Krisztián Ungváry, 2011-08-30
 This title is presented with a new foreword by István Deák. The battle of Budapest in the bleak winter of 1944-45 was one of the longest and bloodiest city sieges of World War II. From the appearance of the first Soviet tanks on the outskirts of the capital to the capture of Buda Castle, 102 days elapsed. In terms of human trauma, it comes second only to Stalingrad, comparisons to which were even being made by soldiers both German and Soviet fighting at the time. This definitive history covers their experiences and those of the 800,000 non-combatants around whom the battle raged. *The*
