Churchill's Triumph Michael Dobbs, 2008-03-01 From Michael Dobbs author of the book that inspired the smash hit Netflix series House of Cards Churchill's Triumph transports us to the end of WWII as the three most powerful men on earth Winston Churchill Franklin D Roosevelt and Joseph Stalin gather in what will later become known as the Yalta Conference to discuss the possibility of worldwide peace Despite their shared goals these supposed allies will lie cheat and deceive each other in order to secure their respective places in history Dobbs takes you behind the scenes and brings you into the minds and hearts of the big three leaders the dominating and seemingly all powerful Joseph Stalin with the largest army and the mission of expanding the Soviet Empire an ailing and fragile Roosevelt willing to make whatever compromises he felt he had to in order to bring Stalin and Russia into the final campaign against Japan and Churchill the least powerful of the three but the most far sighted who could not count on Roosevelt as his ally and could not tame the avaricious Russian bear determined to gobble up the nations around and beyond it Like a fly on the wall of history the reader becomes a hidden witness to these monumental

A Ghost at the Door Michael Dobbs, 2013-09-12 Tell me about your father Five short razor edged words that rip the world of Harry Jones to pieces He barely knew his father Johnnie and hated what little he did know yet no man is able to escape the shadows of the past Harry has already lost almost everything his seat in parliament his reputation his fortune There is little left apart from his love for the headstrong Jemma and now he must risk losing her and even his own life to uncover the truth about his dead father What starts as a gentle enquiry uncovers a trail of murder and guilt ridden love that dates back to Johnnie's student days Harry's search leads from a burning house in Bermuda to a graveyard in Greece from the croquet lawns of his father's Oxford college to the altar of one of Wren's finest London churches At every turn Harry discovers that the childhood world he thought he knew was false along with almost everyone in it Only when he confronts his own death does he realize that all along he's been used as a pawn in a far larger game
