The Antislavery Vanguard

**NEW ESSAYS ON
THE ABOLITIONISTS**

**EDITED BY
MARTIN DUBERMAN**

In general, the seventeen essays included in this volume, though by no means uncritical, point to "a more sympathetic evaluation of the motives, tactics, and effects of the [abolitionist] movement." They give us warmer portraits of abolitionist leaders, a better understanding of their problems, and a refreshing appreciation of the constructive role of the agitator in society. / Kenneth M. Stampp in *The Journal of Southern History*
