Another Bowl of Kapusta Dianna M. Popp, Gottfried P. Dulias, 2004 Before there were frequent flyer miles there was this A rather haphazard make it up as you go aviation industry Flight was a dangerous exciting adventure that developed at a faster pace than could ever have been expected Because the exploits of B E Shorty Fulton were extensively chronicled by the press for over fifty years 1925 1980 he serves as a microcosm of those years when he was probably in the right place at the right time in parts of the country he became a legend Shorty had many eccentricities both lovable and irritating I hope I have brought that man and his times into focus yet leave his heritage secure *From Incarceration to Repatriation* Susan C. I. Grunewald, 2024-07-15 *From Incarceration to Repatriation* explores the lives and memories of the nearly 1 5 million German POWs who were held by the Soviet Union during and after World War II and released in phases through 1956 seven years longer than the prisoners of any other Allied nation Susan C I Grunewald argues that Soviet leadership deliberately kept able bodied German POWs to supplement their labor force after the end of the war The Soviet Union lost 27 million citizens and a quarter of its physical assets during the war motivating Soviet leadership to harness the labor of German POWs for as long as possible Engaging with recently declassified documents in former Soviet archives archival material from multiple German governments as well as innovative use of digital humanities methods and geographic information system GIS mapping Grunewald demonstrates that Soviet authorities detained German POWs primarily for economic rather than punitive reasons In fact the GIS mapping of the historical materials makes it clear that most of the four thousand POW camps across the USSR were strategically located near industrial infrastructure and natural resource sites that were critical to postwar economic reconstruction *From Incarceration to Repatriation* is the first book to draw together the distinct fields of Soviet and German history to provide a more nuanced and comprehensive understanding of German POW captivity in the USSR during and after World War II Attending to the ways that the memory of German POWs remains in circulation in both the former Soviet Union and Germany Grunewald tracks the political repercussions of war commemoration *Rethinking the Gulag* Alan Barenberg, Emily D. Johnson, 2022-03-01 The Soviet Gulag was one of the largest most complex and deadliest systems of incarceration in the 20th century What lessons can we learn from its network of labor camps and prisons and exile settlements which stretched across vast geographic expanses included varied institutions and brought together inmates from all the Soviet Union s ethnicities professions and social classes Drawing on a massive body of documentary evidence *Rethinking the Gulag Identities Sources Legacies* explores the Soviet penal system from various disciplinary perspectives Divided into three sections the collection first considers identities the lived experiences of contingents of detainees who have rarely figured in Gulag histories to date such as common criminals and clerics The second section surveys sources to explore the ways new research methods can revolutionize our understanding of the system The third section studies legacies to reveal the aftermath of the Gulag including the folk beliefs and traditions it has inspired and the museums built to

memorialize it While all the chapters respond to one another each section also concludes with a reaction by a leading researcher geographer Judith Pallot historian Lynne Viola and cultural historian and literary scholar Alexander Etkind Moving away from grand metaphorical or theoretical models Rethinking the Gulag instead unearths the complexities and nuances of experience that represent a primary focus in the new wave of Gulag studies **Yearbook of German-American Studies** ,2005 *The New York Times Index* ,2006 *Independent Woman* ,1943 **Playthings** ,1943 **Життєвий досвід українців у Канаді** Ukraïns'ka vil'na akademii[а] nauk,1994
