AN AMERICAN ROAD STORY

Anthem An American Road Story

Dennis Bjorklund

Anthem An American Road Story:

Anthem: An American Road Story Shainee Gabel, Kristin Hahn, 1998-10-01 A volume based on the authors film documentary Anthem chronicles the story of two young women who quit their jobs to begin an epic cross country journey

All Roads Lead to the American City Peter Swirski, 2007-04-01 All Roads Lead to the American City provides an original view of the urban culture in America seen through its irrevocable ties with the cities and roads Examining the history cinema literature cultural myths and social geography of the United States the book puts some of the greatest as well as the baddest American cities under the microscope Taking the role of the roads that crisscross and connect the cities as their shared point of reference these essays explore ways to understand the people who live commute work create govern commit crime and conduct business in them Cities for the most part are America Their values and problems define not only what the United States is but what other nations perceive the United States to be Roads and transportation on the other hand and their impact on the American culture and lifestyle form not only the integral part of the historical rise and shine of the modern city but a physical release from and a cultural antidote to its pressure cooker stresses Tracing the boundless variety and complexity of these twin themes All Roads Lead to the American City is built around an interlinked series of essays on the urban culture in America Juxtaposing the city and the road it looks alternatively at cities as historical geographical social and cultural centres of life in the land and at roads as physical as well as metaphorical arteries that lead in and out of the city

The USA from a Chevrolet James A. Ward, 2010-07-27 In July 1965 an Artesian Turquoise Chevrolet Biscayne rolled off a General Motors assembly line Little did James Ward know that this car would become a cherished member of his family playing a role in his wedding honeymoon years of graduate school birth of his daughter and her wedding among countless other memories Four decades and a lot of history later the author still drives this rolling historical artifact dubbed Phoebe Using the Biscayne as a narrative thread this first person account explores facets of American history the author and Phoebe experienced since the mid 1960s such as a KKK cross burning a civil rights march Hurricane Betsy numerous local diners motels and parks and interesting people and out of the way places Looking for remnants of their youth they drove across back roads in twenty first century America Photographs accompany this unique memoir Road-book America Rowland A. Sherrill, 2000 Sketching the socially marginal ingenuous traveling characters common to both old and new versions Sherrill shows how the new American picaresque transforms the satirical aims of the original into an effort to map and catalog the immensity and variety of America **BOOK JACKET** Driving Lessons Christopher B. Strain, 2025 Driving Lessons A Road Trip through American Travel Literature by Christopher B Strain is a study of American travel literature specifically a reflection on the tradition of the American road trip Strain sets out to understand what makes this custom a prototypically American one who travels and why through considerations of race class and gender Driving Lessons not only contextualizes earlier American travel narratives but also shows how these journeys of national discovery and personal redemption still

resonate with readers and scholars The book deftly blends together the story of the author's own four month sojourn in an old van with the analysis of his literary predecessors travel narratives

Friends Secrets: 236 Episodes, Thousands of Facts Dennis Bjorklund, 2023-10-02 Friends Secrets 236 Episodes Thousands of Facts is written by an authoritative expert who penned the most comprehensive reference book ever written on the series Friends Behind the Scenes Backstage Pass to the Series A Comprehensive History The follow up effort Friends Secrets is the best source for insider facts and never before revealed tidbits about the sitcom that industry experts have voted the Greatest TV Series of All Time This type of thoroughness cannot be found anywhere else in the entire Friends Universe The first section provides insider information about the creators cast regulars supporting actors and guest actors as well as cast stand ins crew members scene extras and even famous actors who auditioned for roles in the immensely popular show The second section discusses little known facts about the series including behind the scenes activities casting decisions notable directors secrets behind writing episodes and so much more The final section recounts numerous secrets behind the making of Friends Every episode has a history and many contain a few skeletons in the closet The little known facts encompass the inspirations for episode plots how personal experiences influenced storylines when actors ad libbed lines how scenes developed and evolved the way actors and guest stars impacted the creative process and even the lost episode that was written but never filmed There are over 3000 fun facts about the show that are sure to amaze and mystify the most die hard and inquisitive Friends fan Friends Secrets is an essential book for every fan of the show It is a great conversation starter and readers are guaranteed to impress friends and family with nuggets of insider information that most Friends fans do not know Photos included 299 pages paperback

Conversations with Hunter S. Thompson Hunter S. Thompson, 2008 In 1971 the outlandish originator of gonzo journalism Hunter S Thompson 1937 2005 commandeered the international literary limelight with his best selling comic masterpiece Fear and Loathing in Las Vegas Following his 1966 debut Hell's Angels Thompson displayed an uncanny flair for inserting himself into the epicenter of major sociopolitical events of our generation His audacious satirical ranting screeds on American culture have been widely read and admired Whether in books essays or collections of his correspondence his raging and incisive voice and writing style are unmistakable Conversations with Hunter S Thompson is the first compilation of selected personal interviews that traces the trajectory of his prolific and much publicized career These engaging exchanges reveal Thompson's determination self indulgence energy outrageous wit ire and passions as he discusses his life and work Beef Torrey is the editor of Conversations with Thomas McGuane and co editor of the forthcoming Jim Harrison A Comprehensive Bibliography Kevin Simonson has been published in SPIN Rolling Stone Village Voice and Hustler
