Modern Trends and Future Innovation in Human Resource Management Madanchian,

Mitra,2024-09-25 Today's business environment is marked by rapid technological advancements. The results are already visible given the increasing shift towards remote and hybrid work models in addition to a growing emphasis on sustainability and inclusivity. Human resource HR professionals are no longer just administrative managers but strategic partners who play a crucial role in shaping organizational culture and driving performance. Modern Trends and Future Innovation in Human Resource Management addresses key issues such as the impact of remote work on employee engagement, the need for eco-friendly HR practices and the integration of artificial intelligence AI and diversity equity and inclusion DEI initiatives. It provides a detailed examination of how these factors are reshaping HRM and offers actionable recommendations for organizations seeking to stay competitive and forward thinking in a rapidly changing world. Covering topics such as eco-friendly behaviors, job redesigning and talent retention, this book is an essential resource for HR professionals, business leaders, educators, graduate and postgraduate students, researchers, academicians and more. **Organizational Behavior**

Adebowale Akande,2025-07-01 This volume presents the complex dynamics of organizational behavior. It sheds light on the interplay between working relationships, leadership, management and political influence, offering fresh insights into how these elements shape organizational culture and performance. Leaders and managers will gain valuable strategies for navigating power structures and interpersonal relationships, while employees will find guidance on advancing their careers through strategic political awareness. Topics such as group behavior, diversity and inclusion, cultural and emotional intelligence and ethical decision making are thoroughly examined. Each chapter is designed for clarity and emphasizes practical application. By doing so, the volume equips readers with the skills to implement effective strategies in the workplace. The book further provides a better understanding of organizational behavior and enables readers to drive positive change in the workplace. By blending theory with actionable insights, the book will appeal to students, academics and professionals alike interested in learning how to address real world challenges. **Handbook of Research on Cybersecurity Risk in Contemporary Business Systems**
