Beyond Psychoppression:

An Encounter Beyond Human Understanding Adriano Charles C. Belo, 2018-08-29 Every human being has a heart that searches for something beyond our reality some people live their lives focused only on the things that we cannot take with us when we depart from this earth but to those who will listen to their hearts and search for something greater than ourselves with an everlasting reward this book will place you on the path to encounter what knowledge and senses are too limited to introduce to our spiritual being a reality beyond our senses and an encounter beyond our understanding

Beyond Perception Nils Sarhage, 2023 **Ways to Go Beyond and Why They Work** Rupert Sheldrake, 2019 To go beyond is to move into a higher state of consciousness to a place of bliss greater understanding love and deep connectedness a realm where we finally find life's meaning experiences for which all spiritual seekers seek Dr Rupert Sheldrake writing as both a scientist and a spiritual explorer looks at seven spiritual practices that are personally transformative and have scientifically measurable effects He combines the latest scientific research with his extensive knowledge of mystical traditions around the world to show how we may tune into more than human realms of consciousness through psychedelics such as ayahuasca and by taking cannabis He also shows how everyday activities can have mystical dimensions including sports and learning from animals He discusses traditional religious practices such as fasting prayer and the celebration of festivals and holy days Why do these practices work Are their effects all inside brains and essentially illusory Or can we really make contact with forms of consciousness greater than our own We are in the midst of a spiritual revival This book is an essential guide **Beyond the Tenth** T. Lobsang Rampa, 1976 **Beyond the Wonderful** Donald E.
