Beyond The Rubicon Romans And Gauls In Republican Italy

Ian Stewart

Beyond The Rubicon Romans And Gauls In Republican Italy:

Beyond the Rubicon J. H. C. Williams, 2001-07-12 Throughout the middle and late Republican periods fourth to first centuries BC the Romans lived in fear and loathing of the Gauls of northern Italy caused primarily by their collective historical memory of the destruction of the city of Rome by Gauls in 387 BC By examining the literary evidence relating to the historical ethnographic and geographic writings of Greeks and Romans of the period focusing on invasion and conflict this book attempts to answer the questions how and why the Gauls became the deadly enemy of the Romans Dr Williams also examines the problematic notion of the Gauls as Celts which has been so influential in historical and archaeological accounts of northern Italy in the late pre Roman Iron Age by modern scholars The book concludes that ancient literary evidence and modern ethnic presumptions about Celts are not a sound basis for reconstructing either the history of the Romans interaction with the peoples of northern Italy or for interpreting the material evidence Diversity and the Study of Antiquity in Higher Education Daniel Libatique, Fiona McHardy, 2023-04-12 This volume explores how the study of antiquity can be made relevant and inclusive for a diverse range of 21st century students by bringing together perspectives from colleagues working in higher education at different career stages roles and from different backgrounds in the US UK and Greece This collection of chapters addresses issues related to inclusive practice and diversity in Classics Higher Education especially in the US and the UK Recent debates within the discipline have highlighted inequality of access to traditional classical education and a growing number of initiatives and projects have begun to address the range of sources and topics that form part of a modern classical education The discipline is wide ranging including study of ancient Greek and Latin language and literature the traditional core of Classics as well as opportunities to study the ancient history philosophy religion mythology material culture and archaeology of the Greco Roman period Significant progress has been made over recent years in incorporating the study of gender and sexuality within classical degree programmes and increasingly programmes are being enriched through broadening the geographical reach of topics on the curriculum beyond Europe More care is also being taken over selection of scholarly reading to represent more fully the range of voices contributing to the discipline But more work remains to be done Diversity and the Study of Antiquity in Higher Education is of interest to anyone teaching Classics especially in the US and UK as well as scholars and researchers in the field who are interested in issues of diversity A Companion to Julius Caesar Miriam Griffin, 2015-07-21 A Companion to Julius Caesar comprises 30 essays from leading scholars examining the life and after life of this great polarizing figure Explores Caesar from a variety of perspectives military genius ruthless tyrant brilliant politician first class orator sophisticated man of letters and more Utilizes Caesar s own extant writings Examines the viewpoints of Caesar s contemporaries and explores Caesar s portrayals by artists and writers through the ages **A Companion to Ancient History** Andrew Erskine, 2012-12-26 This Companion provides a comprehensive introduction to key topics in the study of ancient history Examines the forms of evidence problems

approaches and major themes in the study of ancient history Comprises more than 40 essays written by leading international scholars Moves beyond the primary focus on Greece and Rome with coverage of the various cultures within the ancient Mediterranean Draws on the latest research in the field Provides an essential resource for any student of ancient history

Foreign Cults in Rome Eric Orlin,2010-08-27 Introduction Foreign cults in Rome Cult introductions of the third century Foreign priests in Rome Prodigies and expiations Ludi Establishing boundaries in the second century The challenges of the first century **Escape from Rome** Walter Scheidel,2021-03-16 The gripping story of how the end of the Roman Empire was the beginning of the modern world The fall of the Roman Empire has long been considered one of the greatest disasters in history But in this groundbreaking book Walter Scheidel argues that Rome s dramatic collapse was actually the best thing that ever happened clearing the path for Europe s economic rise and the creation of the modern age Ranging across the entire premodern world Escape from Rome offers new answers to some of the biggest questions in history Why did the Roman Empire appear Why did nothing like it ever return to Europe And above all why did Europeans come to dominate the world In an absorbing narrative that begins with ancient Rome but stretches far beyond it from Byzantium to China and from Genghis Khan to Napoleon Scheidel shows how the demise of Rome and the enduring failure of empire building on European soil launched an economic transformation that changed the continent and ultimately the world The Celts Ian

Stewart,2025-03-04 A new history of the Celts that reveals how this once forgotten people became a pillar of modern national identity in Britain Ireland and France Before the Greeks and Romans the Celts ruled the ancient world They sacked Rome invaded Greece and conquered much of Europe from Ireland to Turkey Celts registered deeply on the classical imagination for a thousand years and were variously described by writers like Caesar and Livy as unruly barbarians fearless warriors and gracious hosts But then in the early Middle Ages they vanished In The Celts Ian Stewart tells the story of their rediscovery during the Renaissance and their transformation over the next few centuries into one of the most popular European ancestral peoples The Celts shows how the idea of this ancient people was recovered by scholars honed by intellectuals politicians and other thinkers of various stripes and adopted by cultural revivalists and activists as they tried to build European nations and nationalisms during the eighteenth and nineteenth centuries Long forgotten the Celts improbably came to be seen as the ancestors of most western Europeans and as a pillar of modern national identity in Britain Ireland and France Based on new research conducted across Europe and in the United States The Celts reveals when and how we came to call much of Europe Celtic why this idea mattered in the past and why it still matters today as the tide of nationalism is once again on the rise

Edinburgh Companion to Ancient Greece and Rome Edward Bispham,2006-07-24 The Edinburgh Companion newly available in paperback is a gateway to the fascinating worlds of ancient Greece and Rome Wide ranging in its approach it demonstrates the multifaceted nature of classical civilisation and enables readers to gain guidance in drawing together the perspectives and methods of different disciplines from philosophy to history from poetry to archaeology from art history to

numismatics and many more *Conspiracy Narratives in Roman History* Victoria Emma Pagán, 2013-09-26 Conspiracy is a thread that runs throughout the tapestry of Roman history From the earliest days of the Republic to the waning of the Empire conspiracies and intrigues created shadow worlds that undermined the openness of Rome's representational government To expose these dark corners and restore a sense of order and safety Roman historians frequently wrote about famous conspiracies and about how their secret plots were detected and the perpetrators punished These accounts reassured readers that the conspiracy was a rare exception that would not happen again if everyone remained vigilant In this first book length treatment of conspiracy in Roman history Victoria Pagán examines the narrative strategies that five prominent historians used to disclose events that had been deliberately shrouded in secrecy and silence She compares how Sallust Livy and Tacitus constructed their accounts of the betrayed Catilinarian Bacchanalian and Pisonian conspiracies Her analysis reveals how a historical account of a secret event depends upon the transmittal of sensitive information from a private setting to the public sphere and why women and slaves often proved to be ideal transmitters of secrets Pagán then turns to Josephus's and Appian's accounts of the assassinations of Caligula and Julius Caesar to explore how the two historians maintained suspense throughout their narratives despite readers' prior knowledge of the outcomes **Rome** Matthew Kneale, 2019-05-28 This magnificent love letter to Rome Stephen Greenblatt tells the story of the Eternal City through pivotal moments that defined its history from the early Roman Republic through the Renaissance and the Reformation to the German occupation in World War Two an erudite history that reads like a page turner Maria Semple *Rome the Eternal City* It is a hugely popular tourist destination with a rich history famed for such sites as the Colosseum the Forum the Pantheon St Peter's and the Vatican In no other city is history as present as it is in Rome Today visitors can stand on bridges that Julius Caesar and Cicero crossed walk around temples in the footsteps of emperors visit churches from the earliest days of Christianity This is all the more remarkable considering what the city has endured over the centuries It has been ravaged by fires floods earthquakes and most of all by roving armies These have invaded repeatedly from ancient times to as recently as 1943 Many times Romans have shrugged off catastrophe and remade their city anew Matthew Kneale is one step ahead of most other Roman chroniclers *The New York Times Book Review* He paints portraits of the city before seven pivotal assaults describing what it looked like felt like smelled like and how Romans both rich and poor lived their everyday lives He shows how the attacks transformed Rome sometimes for the better With drama and humor he brings to life the city of Augustus of Michelangelo and Bernini of Garibaldi and Mussolini and of popes both saintly and very worldly Rome is exciting gripping a slow roller coaster ride through the fortunes of a place deeply entangled in its past *The Wall Street Journal*

While this might not be the Beyond The Rubicon Romans And Gauls In Republican Italy full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Beyond The Rubicon Romans And Gauls In Republican Italy eBooks, including some popular titles.

FAQs About Beyond The Rubicon Romans And Gauls In Republican Italy Books

What is a Beyond The Rubicon Romans And Gauls In Republican Italy PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Beyond The Rubicon Romans And Gauls In Republican Italy PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Beyond The Rubicon Romans And Gauls In Republican Italy PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Beyond The Rubicon Romans And Gauls In Republican Italy PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Beyond The Rubicon Romans And Gauls In Republican Italy PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
