Beyond Singleness:

Beyond Singleness Helena Wilkinson, 2006-05-16 By the end of the century it is estimated that 45 percent of adults will live alone The Christian church has already arrived at this statistic almost half of all adult church members are single divorced or widowed For some singleness is a chosen way of life but for many others it is regarded as second best Long term singleness can result in a crippling sense of isolation and anxiety which in itself dooms many potential new friendships from the start Beyond Singleness shows how these personal pitfalls can be avoided and how the real person inside can be nurtured and cared for so that relationships with others become more honest rewarding and enriching Beyond Singleness is a book for both the married and the single as it attempts to bridge the gap which can exist between the two It looks at how some unhelpful stereotyped ideas can be challenged and changed and how communication and understanding can be developed

Beyond Male and Female? Sam Ashton, 2023-09-21 In this incisive work Sam Ashton provides a compelling consistent and erudite argument for a foundational approach to the matter of sexual difference drawing on biblical and doctrinal material and using resources in their original languages He tracks and traces the sexed body as it moves from creation through the fall to redemption now and final consummation not yet In doing so Ashton presents what is perhaps the strongest case that can be made for male and female He created them Each chapter privileges biblical exegesis drawing upon figures in church history notably Augustine and Aquinas as and when they illumine Scripture By doing so the book considers the difficulty presented to sexual dimorphism by the phenomenon of intersex Ashton seeks to develop an understanding that is generous inclusive and affirming so he works carefully through the writings of Thatcher Song and Cornwall in a way that invites engagement and dialogue With the complete divine drama in view the book offers synthetic judgments about what remains essential for the structure of the sexed body as it travels through history and what may be accidental to the sexed body's direction within a particular theo dramatic act Ashton concludes by considering ways to transition from dogmatic judgments about intersexuality to the moral pastoral care of concrete intersex individuals briefly thinking about the complex matter of marriage

Fama, Jorie Lagerwey, 2022-05-13 Single Lives is a collection of singleness studies essays from the interdisciplinary

humanities that explores the last two hundred years of literature and popular media by about and for single women in the US and the UK Independent women have always been a center around which social anxieties and excitement coalesced Moving between the family home and domestic independence between household and public labor and between celibacy and a range of sexual relations the single woman remains a literary and cultural focus as she has been from the 19th to the 21st centuries This collection offers readers the opportunity to uncover the social political economic and cultural connections between the singly blessed women and bachelor girls of the 19th and early 20th century and all the single ladies of the 21st century Essays read singleness across genre and field offering new approaches to studying modern and contemporary single women in literature film and history Authors engage scholarship from wide ranging fields of social history women's studies queer theory and Black feminism The collection reads familiar texts against the grain rethinking archival resources revisiting familiar figures and exploring new sources cookbooks ephemera personal documents recovered film histories and forms of domestic space and labor This is a book for scholars of gender and sexuality social history feminist film and media scholars and literary historians and reflects the urgent contemporary interest in single women as a political economic and cultural

force **P.S. I'm Single** Lily A. Arasaratnam, 2011 This book offers a welcome alternative to anyone who is looking for something different from the generic brand of books on singleness Based on the personal and professional perspectives of five single persons ranging in age from late 20s to mid 50s this book discusses the subject of singleness from Biblical theological pastoral and socio economical perspectives With astute wit and lived realism the authors explore the hard questions about being a single person in today s society and offer a refreshing new view on the single experience Beyond Sex Roles Gilbert G. Bilezikian, Gilbert Bilezikian, 2006-10 This first rate biblical and theological study offers an accessible examination of the key texts of Scripture pertinent to understanding female roles affirming full equality of the sexes in family and church The third edition has been revised throughout Gilbert Bilezikian avoids using scholarly jargon and complex argumentation in the main text of the book to encourage readers to interact with the biblical research The aim is for nonspecialized readers to be able to follow his discussion step by step evaluate arguments consider alternative views and arrive at independent conclusions The study guide format of the book is designed for either individual investigation or group work Pastors church leaders students and those interested in issues relating to gender and church life will value this classic work on the egalitarian viewpoint Beyond Distraction Shaila Catherine, 2022-05-03 Introduction Lost in Thought 1 Knowing Your Own Mind Many Kinds of Thoughts 2 Thoughts That Help and Thoughts That Hurt What Intentions Do You Nurture 3 Antidotes and Alternatives Strategy 1 Replace Unwholesome Thoughts with Wholesome Thoughts 4 Weighing the Costs Strategy 2 Examine the Dangers of Distracting Thoughts 5 Withdrawing the Fuel Strategy 3 Avoid It Ignore It Forget It 6 Unravelling the Causes Strategy 4 Investigate the Causes of Distraction 7 Saying No and Meaning It Strategy 5 Apply Determination and Resolve 8 Applying the Five Strategies A Complete Training Sequence 9 Mastering Your Mind Moving Toward Liberation Appendix 1 Dvedh vitakka Sutta Two Kinds of Thought Appendix 2 Vitakkasa h na Sutta The Removal of Distracting Thoughts Acknowledgments List of Abbreviations Notes Bibliography Index of Exercises General Index About the Author George Oppen Richard Swigg, 2016-08-26 George Oppen s standing in American poetry has never been greater Yet despite the mass of critical writing since his death in 1984 the essential basis of the verse the words on the page and their acoustics has rarely been the subject of discussion In this book therefore Richard Swigg breaks away from the general trend of Oppen studies studies and offers the reader a direct way into the visual and auditory dimension of the poems Ranging across the entire span of the work from the 1930s to the 1970s he traces for the first time the full extent of Oppen s engagement with the concrete world and his important poetic relationships with Charles Reznikoff Denise Levertov Charles Tomlinson and others
