Beyond Forever:

Beyond Forever Diane Dowsing Robison, 2023-08-15 *Beyond Forever* is a story about a man and a woman reuniting through four lifetimes where piece by piece the fabric of their enduring relationship is woven by the unique and life changing experiences they share. The narrative follows their complex journey from the windswept rugged island of Barbados to the sinking of the mighty ship *Lusitania*, the unparalleled experience of World War II in New York, Hawaii, California, Malta, and England, and finally into the new millennium. Through their saga, one truth becomes apparent: not only do relationships shape people's physical lives, they become vital lessons for the growth of one's spirit. It takes courage to fully love, but eventually the ultimate question must be faced: What if this gift goes away? What's left? Throughout this incredible saga, readers share the exhilarating joy and devastating hurt of both souls through their achievements, their failures, and their separation, ultimately realizing that each lifetime builds a powerful bridge where love can continue. Finally, through four dynamic and vastly different life experiences, the characters discover their greatest gift by truly letting go: of fear, nothing can stand in the way of being connected forever and beyond.

Beyond Forever Carrie Collins, 2021-11-26 Chelsea is giving up. After two years of waiting for Ace to make a move, she's done. It feels like forever, and she's got to make her own way. It doesn't matter that her friends say he's interested in her. She doesn't see it, and she's got more to worry about: like protecting her son Hawk, working multiple jobs, and planning to open her own store. More comfortable with repairing cars than relationships, Ace knows he's screwed up, but he wants to make sure everything is perfect before he asks the woman of his dreams out. The house is almost finished, being built, and all he thinks about is how much he can't wait to spend his days with Chelsea and Hawk. Confident she won't say no, he sticks to his plan without realizing she's moving on. When Chelsea's ex and Hawk's biological, abusive father shows back up, things get tense. Chelsea doesn't want to bother the guys at Phantom Inc. even though this might be too much to handle on her own. Just as stubborn as Ace is, she refuses to ask for their help, not realizing her ex is going to stop at nothing to get his way.

Beyond Forever Giacomo Donati, 2024-01-06 Jack leads a quiet, lonely existence amongst the dazzling technological marvels of 2066 San Francisco, keeping to his small circle and finding solace in the familiarity of the places where he spends his days. But when a wide-eyed German shepherd puppy and he unexpectedly meet, his structured world is upended. As Jack begins to open his heart and life to the exuberant canine presence, now sharing his space, glimpses of hope and joy start to break through his detached exterior. Morning runs through the park, belly rubs on the couch after work, impromptu games of fetch down alleyways lined with holograms. Jack starts to rediscover life's simple pleasures with his new four-legged friend. Just as a real bond begins blossoming, fate deals a devastating blow. At the pup's first vet visit, tests reveal she suffers from an extremely rare degenerative condition unknown to modern medicine. She has only weeks to live. Stunned, Jack grapples with the stark reality of losing his best friend just after inviting her into his once solitary existence. As her condition rapidly declines, he makes it his singular mission to savour their remaining days while urgently racing against

time to track down experimental treatments before it's too late From the highest peaks of joy to the depths of despair Jack experiences the full spectrum of life as his loyalty is put to the ultimate test Will the resurfacing pressures of a past he longs to forget undermine his efforts to fight for his puppy's future Beyond Forever is an emotional rollercoaster centred on the healing gifts of unconditional friendship sometimes found in the most unexpected places and darkest hours *Beyond Forever's End* Allan A.
