Beyond the Scarlet Door Susie Ireland Read, 2017-10-24
If you're like most kids, you sometimes don't get along with your brothers and sisters. But if your siblings needed you, you would do everything you could to help them. In author Susie Ireland Reads *Beyond the Scarlet Door*, Maleeya and Kieran Wright have an older sister, Sierra, who is very ill. Their whole world begins to fall apart when Nurse Pippy arrives on their doorstep, insisting she is there to take care of the ill teen. Unfortunately, after the nurses arrival, Sierra gets worse instead of better. When Sierra asks to see a pink fairy, the girls assume she wants to see a fairy statue. Anxious to do anything that will make their sister feel better, Maleeya and Kieran, along with their dog Mi, go on a quest to find the pink fairy. Little do the sisters know that such an innocent request would lead them to the beautiful yet treacherous world that lies beyond the scarlet door. Follow Maleeya and Kieran, reduced to the size of white mice and carrying a backpack filled with seemingly useless items from home, as they overcome fears that lie deep within their souls. Can they outwit Raven, the evil fairy, and bring back seven items needed to save their sister? What magical creatures will they meet in this new world, and will they be friends or foes? Lastly, what family secrets will the sisters discover that could change their lives forever?

The House Beyond the Hill Michael R. Collings, 2007-04-01
THE EVIL THAT FEEDS ON FEAR: The quiet suburb seems peaceful enough until loner Donny Mann succumbs to the irresistible urge to drive the web of the Southern California freeways armed with a stolen 38 and the unspeakable need to fire it. He finds his victims soon enough: an old black Cadillac alone on a dark stretch of highway. Three people witness the shooting. Three people see the Caddy crash. Three people know that no one left the wreck. But when the police arrive, they find the car empty of anything save blood and the horror locked in its trunk. One after another, the citizens of Tamarind Valley fall prey to something or some thing that feeds on fear and grows exponentially in power with each victim. Donny's brother Richard gradually realizes that he stands at the center of an expanding circle of evil. If he and his friends do not prevail, the evil will.

MICHAEL R. COLLINGS has written and edited over forty books of horror, literary criticism, and poetry, among others, many of them being reprinted by Borgo Press. He lives and works in Idaho.
