Beyond The Down Low:

Beyond the Down Low Keith Boykin, 2006-01-03 Keith Boykin a former Clinton White House aide syndicated columnist and AIDS activist breaks new ground by going beyond the hype with the first responsible eye opening look at the down low sensation Unlike all previous accounts on the topic *Beyond the Down Low* refreshingly presents the DL not merely as a problem of gay and bisexual men living in the shadows and endangering women but more broadly as a telling example of the African American community's overall failure to engage in critical but uncomfortable conversations about sexuality Boykin details how the virtual silence from black leaders on sex matters has helped to create an environment where gay and bisexual men feel compelled to lead double lives Meanwhile the dialogue that has occurred both inside and out of African American circles encourages an unhealthy battle of the sexes ignores the complexities of the closet demonizes homosexuality and bisexuality disempowers women from personal responsibility to protect themselves from STDs and misdirects public resources and attention at vilifying down low men

Beyond the Down Low Keith Boykin, 2005-01-02 Boykin a former Clinton White House aide syndicated columnist and AIDS activist breaks new ground by going beyond the media hype with the first responsible eye opening look at the down low sensation referring to the secretive phenomenon of closeted black men who have sex with other men

Structural Intimacies Sonja Mackenzie, 2013-06-06 One of the most relevant social problems in contemporary American life is the continuing HIV epidemic in the Black population With vivid ethnographic detail this book brings together scholarship on the structural dimensions of the AIDS epidemic and the social construction of sexuality to assert that shifting forms of sexual stories structural intimacies are emerging produced by the meeting of intimate lives and social structural patterns These stories render such inequalities as racism poverty gender power disparities sexual stigma and discrimination as central not just to the dramatic disproportionate spread of HIV in Black communities in the United States but to the formation of Black sexualities Sonja Mackenzie elegantly argues that structural vulnerability is felt quite literally in the blood in the possibilities and constraints on sexual lives and in the rhetorics of their telling The circulation of structural intimacies in daily life and in the political domain reflects possibilities for seeking what Mackenzie calls intimate justice at the nexus of cultural economic political and moral spheres *Structural Intimacies* presents a compelling case in an era of deepening medicalization of HIV AIDS public health must move beyond individual level interventions to community level health equity frames and policy changes

Blacktino Queer Performance E. Patrick Johnson, Ramón H. Rivera-Servera, 2016-05-19 Staging an important new conversation between performers and critics *Blacktino Queer Performance* approaches the interrelations of blackness and Latinidad through a stimulating mix of theory and art The collection contains nine performance scripts by established and emerging black and Latina o queer playwrights and performance artists each accompanied by an interview and critical essay conducted or written by leading scholars of black Latina o and queer expressive practices As the volume's framing device blacktino grounds the specificities of black and

brown social and political relations while allowing the contributors to maintain the goals of queer of color critique Whether interrogating constructions of Latino masculinity theorizing the black queer male experience or examining black lesbian relationships the contributors present blacktino queer performance as an artistic critical political and collaborative practice These scripts interviews and essays not only accentuate the value of blacktino as a reading device they radiate the possibilities for thinking through the concepts of blacktino queer and performance across several disciplines Blacktino Queer Performance reveals the inevitable flirtations frictions and seductions that mark the contours of any ethnoracial love affair Contributors Jossiana Arroyo Marlon M Bailey Pamela Booker Sharon Bridgforth Jennifer Devere Brody Cedric Brown Bernadette Marie Calafell Javier Cardona E Patrick Johnson Omi Osun Joni L Jones John Keene Lawrence La Fountain Stokes D Soyini Madison Jeffrey Q McCune Jr Andreea Micu Charles I Nero Tavia Nyong'o Paul Outlaw Coya Paz Charles Rice Gonzalez Sandra L Richards Matt Richardson Ramon H Rivera Servera Celiany Rivera Velazquez Tamara Roberts Lisa B Thompson Beliza Torres Narvez Patricia Ybarra Vershawn Ashanti Young

The Ashgate Research Companion to Queer Theory Noreen Giffney, Michael O'Rourke, 2016-03-23 This interdisciplinary volume of thirty original essays engages with four key concerns of queer theoretical work identity discourse normativity and relationality The terms queer and theory are put under interrogation by a combination of distinguished and emerging scholars from a wide range of international locations in an effort to map the relations and disjunctions between them These contributors are especially attendant to the many theoretical discourses intersecting with queer theory including feminist theory LGBT studies postcolonial theory psychoanalysis disability studies Marxism poststructuralism critical race studies and posthumanism to name a few This Companion provides an up to the minute snapshot of queer scholarship from the past two decades and identifies many current directions queer theorizing is taking while also signposting several fruitful avenues for future research This book is both an invaluable and authoritative resource for scholars and an indispensable teaching tool for use in the classroom

Black Genders and Sexualities S. McGlotten, D. Davis, 2012-12-06 Cutting across the humanities and social sciences and situated in sites across the black diaspora the work in this book collectively challenges notions that we are living in a post racial age and instead argue for the specificity of black cultural experiences as shaped by gender and sex

Pearl Cleage and Free Womanhood Tikenya Foster-Singletary, Aisha Francis, 2014-11-21 This collection of essays examines popular writer Pearl Cleage's work including her novels short stories and plays It is the first book length consideration of a writer and activist whose bold perspectives on social justice race and gender have been influential for several decades While academically critical the essays mirror Cleage's own philosophical commitment to theoretical transparency and translation The book includes an in depth interview with the author and a foreword by former Cleage student and acclaimed novelist Tayari Jones in addition to essays from contributors representing an interdisciplinary cross section of academic fields

Straight Up Michael A. Stevens, 2006 The Church's Official Response to the Epidemic of Downlow Living **Creole**

Renegades Bénédicte Boisseron, 2022-05-31 This book investigates the exilic literature of Caribbean born and Caribbean descent writers who from their new location in Northern America question their cultural roots and search for a creative autonomy

Race and Racism in the United States Charles A. Gallagher, Cameron D. Lippard, 2014-06-24 How is race defined and perceived in America today and how do these definitions and perceptions compare to attitudes 100 years ago or 200 years ago This four volume set is the definitive source for every topic related to race in the United States In the 21st century it is easy for some students and readers to believe that racism is a thing of the past in reality old wounds have yet to heal and new forms of racism are taking shape Racism has played a role in American society since the founding of the nation in spite of the words all men are created equal within the Declaration of Independence This set is the largest and most complete of its kind covering every facet of race relations in the United States while providing information in a user friendly format that allows easy cross referencing of related topics for efficient research and learning The work serves as an accessible tool for high school researchers provides important material for undergraduate students enrolled in a variety of humanities and social sciences courses and is an outstanding ready reference for race scholars The entries provide readers with comprehensive content supplemented by historical backgrounds relevant examples from primary documents and first hand accounts Information is presented to interest and appeal to readers but also to support critical inquiry and understanding A fourth volume of related primary documents supplies additional reading and resources for research
