Beyond Ambergris:

Beyond Ambergris ,2002 *The Moorlanders* Steven D. Coles,2020-09-15 The Moorlanders seek to defend their ancient homeland from a tyrannical sorcerer intent on claiming the Moor to extract its minerals To save both their way of life and themselves the Moorlanders must suppress their peaceful natures and do battle Caradoc a young courageous Moorlander must lead his friends Fontanella and Hamilcar the badger through danger meeting many fantastical characters and creatures along the way An evocative historical fantasy for children and young adults of all ages capturing the history and beauty of Dartmoor with a strong environmental message and an absorbing cast of rich and varied characters **Travel Guide**

Under the shadow of the eldrich tower the occupiers are raising above the city Finch is about to come face to face with a series of mysteries that will change him and Ambergris forever Why does one of the victims most resemble a man thought to have been dead for a hundred years What is the murders connection to an attempted genocide nearly six hundred years ago And just what is the secret purpose of the occupiers tower

The Grass Is Greener Till You Get To The Other Side Tershia Lambrechts,2014-11-14 The Grass is Greener Till You Get To The Other Side is a factual account of one couple s experience of retiring to Belize in 2003 Over the next decade they met many unforeseen trials and challenges of living in the developing world as well as coping with other cultural idiosyncrasies Her memoir is an adventure and provides guidance for anyone choosing to do the same

Living In Belize Yves Earhart,2025-01-08 Living in Belize delivers a comprehensive roadmap for those contemplating a move to this English speaking Central American paradise focusing on the practical realities rather than tourist attractions The book expertly navigates through crucial aspects of expatriate life from the specialized Qualified Retired Persons QRP program to the intricacies of the healthcare system and the vibrant coastal communities where most expatriates choose to settle Drawing from extensive research and real world experiences the guide presents a balanced view of life in Belize acknowledging both the allure of Caribbean living and the challenges of cultural adaptation Through systematic chapters covering legal requirements healthcare navigation community selection and cultural integration readers gain insights from successful expatriates who have already made the transition The book s strength lies in its practical approach offering current data on property markets healthcare costs and immigration requirements as of 2023 What sets this guide apart is its holistic examination of sustainable long term living in Belize rather than just surface level relocation advice The content focuses on essential aspects like banking systems insurance options and utility services while thoughtfully addressing the impact of expanding expatriate communities on local populations For retirees remote workers and entrepreneurs considering Belize as their new home this guide provides the detailed information and step by step instructions needed to make informed decisions about their international move

Rising Thunder Wayne Stinnett,2020-04-20 Paradise isn t always what it s cracked up to be Few people know this as well as Jesse McDermitt retired Marine and former government operative In the aftermath of an intense mission in coastal Mexico Jesse wants nothing more than to get back to his boat to just sail away and forget all about the firefight and his warrior past The Caribbean sun is warm the azure water inviting he has the woman of his dreams at his side and everything seems to be smooth sailing Until a severed leg is found tangled in a line securing Jesse s dinghy to his 61 foot sailing yacht Salty Dog The former owner of the appendage turns out to be the eighth victim of a lunatic who kills for money and a former Russian smuggler who won t pass up a chance for one more big score Jesse is forced to don the warrior s mask once again This time to catch a ghoulish killer who is stalking the villages and jungles outside Belize City

Beyond Price R. A. Donkin,1998 Man has been intrigued by the origin of pearls sensitive to their beauty and convinced of their medicinal value for at least 5 cent A mixture of folklore

and observation preceded the earliest scientific inquiries Fishing and trade commenced in S Asia between India and Sri Lanka and around the Persian Gulf In W and Central Europe Inner Asia and China and N Amer Freshwater pearls were probably known and treasured before those of marine origin A refined nomenclature points to a long familiarity with etymologically related words for pearl Pearls were prominent among the luxury products of world trade and were high among the objectives of expeditions to the eastern and western Tropics Illustrations

Kraken and The Colossal Octopus Bernard Heuvelmans, 2015-12-22 First published in 2003 From Part One Our ignorance of the marine world is much greater still It is such that I do not hesitate to claim that in the ocean everything is still possible Faced with the immensity of Neptune's realm a certain degree of gullibility is preferable to blind incredulity If it was claimed tomorrow that a real mermaid had been captured not just an ugly manatee but a creature boasting Marilyn Monroe's bust and the tail of a coelacanth the attitude of the zoologist who wished to see it would be much more scientifically justifiable than that of his colleague who would merely shrug the news away The sea covers more than three fifths of the surface of the globe but our ships cross it only along rather narrow and fixed paths This book looks at the science behind the stories
