

What Does הלכה (Halakhah) Mean? By Rabbi Noah Gradofsky

There are many words in the biblical and rabbinic lexicon whose meaning, frankly, we're not so sure of. Surprisingly, one such word is a word we use all the time and that stands at the very core of Jewish practice - halakhah.

Bi Netivot Ha Halakhah:

Jewish Law and Contemporary Issues J. David Bleich, Arthur J. Jacobson, 2015-09-18 This book presents a series of authoritative discussions of the application of Jewish tradition to contemporary social and political issues **Journal of Halacha and Contemporary Society** ,2006 **Rabbinic Theology and Jewish Intellectual History** Meir Seidler, 2013 Rabbi Loew the Maharal of Prague remains one of the most influential and prolific Jewish thinkers of his time Widely considered one of the fathers of Hassidic thought and a harbinger of Modern Jewish philosophy his life and work have retained their influence and remain prevalent today Adopting a multi disciplinary approach this book ranges from an analysis of the historical background to Maharal s thought to examining the relevance of this thought in the modern era before addressing the popular cultural and folkloristic reception of Maharal s impact on modern Western culture This book presents a new understanding of familiar material and will be an invaluable asset to students and scholars of Modern and Early Modern Jewish History and Intellectual thought *Sages and Commoners in Late Antique 'Erez Israel* Stuart S. Miller, 2006 Stuart S Miller addresses a number of issues in the history of talmudic Palestine that are at the center of contemporary scholarly debate about the role rabbis played in society In sharp contrast to recent claims that the rabbis were a relatively small and insular group with little influence this book demonstrates that their movement was both more expansive and diffuse than a mere counting of named rabbis suggests It also underscores some of the dynamics that allowed rabbinic circles to spread their teachings and to ultimately consolidate into an effective and productive movement Many overlooked terms and passages in which rabbis and the members of their circles appear in the Talmud Yerushalmi are investigated and special attention is given to the identity of persons who are collectively referred to after their places of residence Tiberians Sepphoreans Southerners etc While the results confirm the insular nature of the interests of the rabbis they also point to the definition and coherence that this insularity provided their movement Therein lies the secret of the success of rabbinic Judaism which never depended upon sheer numbers but rather on the internal strength and sense of purpose of rabbinic circles Subjects that are considered include rabbinic households the identity of the ammei ha arez and their relationship to the rabbis village sages and their connection to urban rabbis and the venue of rabbinic teachings instructions expositions pronouncements and stories *Rabbinic Authority, Volume 1* A. Yehuda Warburg, 2014-10-01 Introducing English speaking readers to the parameters and scope of rabbinic authority in general and the workings of the institution of the beit din the Jewish court of law in particular this book presents 10 rulings in cases of Jewish civil law that the author handed down as a member of a beit din panel These decisions touch on matters pertaining to employment termination tenure rights and severance pay rabbinic contracts issues in the not for profit boardroom real estate brokerage commission drafting a halakhic will a revocable living trust agreement the division of marital assets upon divorce spousal abuse and a father s duty to support his estranged children Accompanying these presentations is an examination of the notion of rabbinic authority the

business judgment rule and an agunah's ability to recover for the infliction of emotional stress **In Partnership with God**

Byron L. Sherwin, 1990-10-01 Novel agenda and methodology for contemporary Jewish scholarship and applies them to a variety of theological, ethical and legal issues including medical ethics provides an integration of biblical rabbinic and mystical thinking Rabbinic Authority, Volume 4 A. Yehuda Warburg, 2019-03-04 In this fourth volume of his groundbreaking series on rabbinic authority in English Rabbi Warburg discusses the ramifications of the family and the child's welfare as well as the case of the modern day agunah a wife who is unable to get divorced due to her husband's recalcitrance **The Jewish Intellectual Tradition** Alan Kadish, Michael A. Shmidman, Simcha Fishbane, 2021-01-19 The Jewish intellectual tradition has a long and complex history that has resulted in significant and influential works of scholarship In this book the authors suggest that there is a series of common principles that can be extracted from the Jewish intellectual tradition that have broad even life changing implications for individual and societal achievement These principles include respect for tradition while encouraging independent often disruptive thinking a precise system of logical reasoning in pursuit of the truth universal education continuing through adulthood and living a purposeful life The main objective of this book is to understand the historical development of these principles and to demonstrate how applying them judiciously can lead to greater intellectual productivity a more fulfilling existence and a more advanced society **Contemporary Halakhic Problems** J. David Bleich, 1977 Defenders of the Faith Judith Bleich, 2020-04-21 The Emancipation of European Jewry during the nineteenth century led to conflict between tradition and modernity creating a chasm that few believed could be bridged Unsurprisingly the emergence of modern traditionalism was fraught with obstacles The essays published in this collection eloquently depict the passion underlying the disparate views the particular areas of vexing confrontation and the hurdles faced by champions of tradition The author identifies and analyzes the many areas of sociological and religious tension that divided the competing factions including synagogue innovation circumcision intermarriage military service and many others With compelling writing and clear articulate style this illuminating work provides keen insight into the history and development of the various streams of Judaism and the issues that continue to divide them in contemporary times
