Approaches to Peace W. Scott Thompson, 1991 **Approaches to Peace** Willard Scott Thompson, Kenneth Martin Jensen, United States Institute of Peace, 1991 A comprehensive one volume exploration of the peace and security field this volume presents detailed investigations of four major approaches employed in the study of conflict and peacemaking

Leashing the Dogs of War Chester A Crocker, Fen Osler Hampson, 2007 The definitive volume on the sources of contemporary conflict and the array of possible responses to it **The United States Institute of Peace Journal**, 1992

Towards a Theory of United Nations Peacekeeping A.B. Fetherston, 1994-12-13 At a time when peacekeepers are struggling to fulfil increasingly demanding mandates and UN peacekeeping is in danger of losing the distinct character that won it the 1988 Nobel Peace Prize this important book argues for a clear theoretical redefinition within a conflict resolution framework and examines the practical implications for training This is a valuable and original contribution to the peacekeeping literature Dr Oliver Ramsbotham Department of Peace Studies University of Bradford Both for the blue helmets on the ground and for the diplomats at UN headquarters conflict resolution skills are essential for conducting peacekeeping operations Betts Fetherstone's excellent study points the way forward to a synthesis between conflict management and peacekeeping Hugh Miall Research Fellow European Programme Royal Institute of International Affairs The prevailing over taxed ad hoc system of peacekeeping does not meet the growing demands posed by the post Cold War world This volume argues that peacekeeping needs to be placed on firm conceptual footing directly congruent with its peaceful third party role The implications of this conceptualisation of peacekeeping for practice are then discussed Training is cited as a key means of translating conceptual understanding into practice Without this foundation work UN has little chance of changing its existing and largely ineffective system of conflict management At a time when peacekeepers are struggling to fulfil increasingly demanding mandates and UN peacekeeping is in danger of losing the distinct character that won it the 1988 Nobel Peace Prize this important book argues for a clear theoretical redefinition within a conflict resolution framework and examines the practical implications for training This is a valuable and original contribution to the peacekeeping literature **Biennial Report of the United States Institute of Peace** United States Institute of Peace, 1992 This document is the third in a series of biennial reports on the United States Institute of Peace The Institute devotes itself to matters of international peace based on freedom and justice Functioning as a nonideological educational resource for policymakers and officials the Institute does not intervene directly in the formulation or conduct of U S foreign policy Principal purposes of the Institute include 1 expanding knowledge about international conflict and peace by sponsoring research analysis and training 2 disseminating such knowledge and 3 promoting understanding of the complexities of international conflict and peace among the U S public The Institute promotes its goals through grants fellowships research education and training and library and information services As Chapter 1 of the report indicates the

Institute undertook special initiatives during fiscal years 1990 and 1991 concerning the Middle East and Eastern Europe In addition according to Chapter 2 the Institute continued ongoing efforts in such areas as international conflict management arms control East West relations and sources of violence Chapter 3 describes the Institute s education and training activities and has sections entitled Helping Educate Secondary and Postsecondary Teachers and Students and Training for Other Professions Chapter 4 discusses grants fellowships and research programs that the Institute sponsors Descriptions of management and corporate affairs and biographies of Institute board members and senior staff comprise Chapter 5 A chairman s statement message from the president an overview and three appendices regarding the United States Institute of Peace and its enabling legislation are attached SG
