

Unseen Poetry Lecture – Key Approach – Step 5

Writing the comparison poem essay

Go straight into the comparison and write a continuous essay comparing the two poems.

Use the phrase to start: Both poems present/introduce/discuss

- Then link to the question and explain how they present the ideas similarly or differently (this is an overview statement about both poems)
- write about poem 2 (analyse quotation(s) as normal)
- use a connective to link it to poem 1 (analyse quotation(s) as normal)
- repeat the comparison process as many times as you can
- Complete a conclusive overview statement or judgement on how both poems are similar or different.
