Aradia Or The Gospel Of The Witches

Charles G. Leland

Aradia Or The Gospel Of The Witches:

Aradia, or The Gospel of the Witches Charles Godfrey Leland, 1897
Leland, 2016-07-26 This classic of neo Paganism is one of the few books which purports to be an actual sacred text of traditional witchcraft in particular that of the Tuscan region of Italy Charles Leland based this book on material which he received from a woman named Maddelena who had assisted him in collecting regional Italian folklore On New Years day 1897 she handed over to him a document in her own handwriting the Vangel which is the core of this book Maddelena then reportedly went missing and never contacted Leland again The authenticity of Aradia has always been in question Ronald Hutton in his scholarly study of the roots of neo Paganism *The Triumph of the Moon* presents three divergent theories about Aradia first that is a genuine text of an underground Italian Goddess religion second that Maddelena wrote it based on her family tradition or third that Charles Leland forged it based on his extensive knowledge of folklore Each of these theories has pros and cons it may be that the second and third are closest to the truth Whatever the source of this material it has had a profound impact on the emergence of neo Paganism and is required reading for anyone interested in the subject **Aradia** Charles G. Leland, 2019-06-15 While researching regional folklore in Tuscany during the late 19th Century an American folklorist receives a hand written document the Vangel by a mysterious woman named Maddelena Purportedly the last remains of an ancient Roman witchcraft religion this forms the basis of Aradia Though the authenticity of Aradia has always been questioned it has undoubtedly helped form the basis for neo Pagan religion today **Aradia Gospel of the Witches** Charles Godfrey Leland, 2026 *Aradia, Or the Gospel of the Witches* Charles Leland, 2014-08-01 Aradia or the Gospel of the Witches is a book composed by the American folklorist Charles Godfrey Leland that was published in 1899 It contains what he believed was the religious text of a group of pagan witches in Tuscany Italy that documented their beliefs and rituals although various historians and folklorists have disputed the existence of such a group In the 20th century the book was very influential in the development of the contemporary Pagan religion of Wicca The text is a composite Some of it is Leland's translation into English of an original Italian manuscript the Vangelo gospel Leland reported receiving the manuscript from his primary informant on Italian witchcraft beliefs a woman Leland referred to as Maddalena and whom he called his witch informant in Italy The rest of the material comes from Leland's research on Italian folklore and traditions including other related material from Maddalena Leland had been informed of the Vangelo's existence in 1886 but it took Maddalena eleven years to provide him with a copy After translating and editing the material it took another two years for the book to be published Its fifteen chapters portray the origins beliefs rituals and spells of an Italian pagan witchcraft tradition The central figure of that religion is the goddess Aradia who came to Earth to teach the practice of witchcraft to peasants in order for them to oppose their feudal oppressors and the Roman Catholic Church **Aradia** Charles Godfrey Leland, 2016-09-15 Charles Godfrey Leland was a 19th century American humorist and folklorist Leland who worked as a journalist traveled

extensively and became interested in folklore and wrote many books on them Among Leland's most famous works are *Aradia Gospel of the Witches* and *The Algonquin Legends of New England* *Aradia Gospel of the Witches* published in 1899 is a book that contains the religious text of a group of pagan witches in Tuscany Italy *Aradia* Charles Godfrey Leland, 1969

Aradia Charles Leland, 2015-08-26 *Aradia or The Gospel of the Witches* THE COMPLETE VERSION Essential reading for those interested in Wicca and Witchcraft A Classic Publication For brief explanation I may say that witchcraft is known to its votaries as *la vecchia religione* or the old religion of which Diana is the Goddess her daughter Aradia or Herodias the female Messiah and that this little work sets forth how the latter was born came down to earth established witches and witchcraft and then returned to heaven With it are given the ceremonies and invocations or incantations to be addressed to Diana and Aradia the exorcism of Cain and the spells of the holy stone rue and verbenia constituting as the text declares the regular church service so to speak which is to be chanted or pronounced at the witch meetings There are also included the very curious incantations or benedictions of the honey meal and salt or cakes of the witch supper which is curiously classical and evidently a relic of the Roman Mysteries The work could have been extended ad infinitum by adding to it the ceremonies and incantations which actually form a part of the Scripture of Witchcraft but as these are nearly all or at least in great number to be found in my works entitled *Etruscan Roman Remains and Legends of Florence* I have hesitated to compile such a volume before ascertaining whether there is a sufficiently large number of the public who would buy such a work *Aradia Or the Gospel of the Witches* Charles G. Leland, 2004-06-01 When a wizard a worshipper of Diana one who worships the Moon desires the love of a woman he can change her into the form of a dog when she forgetting who she is and all things besides will at once come to his house and there when by him take on again her natural form and remain with him *Aradia* CHARLES G. LELAND, 2014-07-04 *Aradia or the Gospel of the Witches* is a book composed by the American folklorist Charles Godfrey Leland It contains the religious text of pagan witches in Tuscany Italy that documented their beliefs rituals of Pagan religion of Wicca The text is a composite Some of it is Leland's translation into English of an original Italian manuscript the *Vangelo gospel* Leland reported receiving the manuscript from his primary informant on Italian witchcraft beliefs a woman Leland referred to as Maddalena and whom he called his witch informant in Italy The rest of the material comes from Leland's research on Italian folklore and traditions including other related material from Maddalena Its fifteen chapters portray the origins beliefs rituals and spells of an Italian pagan witchcraft tradition The central figure of that religion is the goddess Aradia who came to Earth to teach the practice of witchcraft to peasants in order for them to oppose their feudal oppressors and the Roman Catholic Church
