Applied Mythology:

Applied Mythology Jody Lynn Nye, 2000 College we all know what college is all about right Either we have been there ourselves or know people who have and heard their stories Well we were wrong In *Applied Mythology* Jody Lynn Nye shows us just what we missed because of all that studying we did and those frat and sorority parties we attended *Applied Mythology* is a omnibus collection of *Mythology 101* *Mythology Abroad* and *Higher Mythology* There are elves in the University Library Also Leprechauns sprites and others Keith Doyle is a business major who still believes in myths and legends Whenever he has to write a paper for a class he writes it on aliens and elves Imagine his surprise and delight when he discovers the little people living in the sub basement of the old library Also imagine his anger in realizing that they will be forced to leave when the library is torn down for the modernization of the campus Finally imagine his horror when he realizes just who has been leading this campaign for the modernization of the campus him

Systematic Mythology Jennifer Agee, 2018-10-12

Humans are composed of poetic tissues as surely as physical ones Our identities worldviews longings all are drawn and developed from the unique relationships and texts we encounter and incorporate We collect and imagine stories and creatively build them into the tale of ourselves But each of these personal mythologies is irrevocably lost at death unless it is true as Christianity claims that God raises the dead *Systematic Mythology* Imagining the Invisible studies the ways in which we make meaning It argues that God must be the ultimate subject of every person's essential myth so that Christ may redeem and resurrect our stories as well as our bodies *Systematic mythology* calls us to consciously and creatively participate in the story God is telling through our cosmos and its inhabitants a story in which Christ is all and in all

Literature and Film as Modern Mythology William K. Ferrell, 2000-02-28 Novels and films record and codify the cultural experiences of their people This book explores the relationship between contemporary literature and film of the past fifty years and the ancient myths of Judeo Christian Greek Celtic and Eastern origin Following a detailed description and explanation of both literary and film devices stories that inform to a mythic tradition are analyzed to identify what they reveal about modern culture This work explores such diverse subjects as heroism coming of age and morality This approach to literature and film explores how contemporary fiction and film fulfill a continuum in our never ending search to understand how life ought to be lived Encompassing a broad spectrum of modern film and fiction a variety of authors and directors are represented Included are novels from such writers as Stephen King Alice Walker Ken Kesey Jerzy Kosinski Robert Penn Warren and Michael Ondaatje Film directors include Stephen Spielberg Hal Ashby Phil Alden Robinson George Stevens Robert Rossen and Milos Forman As a valuable resource for film and literature classes alike this work also provides suggestions for student projects

A Companion to Literary Theory David H. Richter, 2018-03-19 Introduces readers to the modes of literary and cultural study of the previous half century *A Companion to Literary Theory* is a collection of 36 original essays all by noted scholars in their field designed to introduce the modes and ideas of contemporary literary and cultural

theory Arranged by topic rather than chronology in order to highlight the relationships between earlier and most recent theoretical developments the book groups its chapters into seven convenient sections I Literary Form Narrative and Poetry II The Task of Reading III Literary Locations and Cultural Studies IV The Politics of Literature V Identities VI Bodies and Their Minds and VII Scientific Inflections Allotting proper space to all areas of theory most relevant today this comprehensive volume features three dozen masterfully written chapters covering such subjects as Anglo American New Criticism Chicago Formalism Russian Formalism Derrida and Deconstruction Empathy Affect Studies Foucault and Poststructuralism Marx and Marxist Literary Theory Postcolonial Studies Ethnic Studies Gender Theory Freudian Psychoanalytic Criticism Cognitive Literary Theory Evolutionary Literary Theory Cybernetics and Posthumanism and much more Features 36 essays by noted scholars in the field Fills a growing need for companion books that can guide readers through the thicket of ideas systems and terminologies Presents important contemporary literary theory while examining those of the past The Wiley Blackwell Companion to Literary Theory will be welcomed by college and university students seeking an accessible and authoritative guide to the complex and often intimidating modes of literary and cultural study of the previous half century *Mythology and Folklore in Many Lands* Fortnightly Review, 1914 *The Longing for Myth in Germany* George S. Williamson, 2004-07 Since the dawn of Romanticism artists and intellectuals in Germany have maintained an abiding interest in the gods and myths of antiquity while calling for a new mythology suitable to the modern age In this study George S Williamson examines the factors that gave rise to this distinct and profound longing for myth In doing so he demonstrates the entanglement of aesthetic and philosophical ambitions in Germany with some of the major religious conflicts of the nineteenth century Through readings of key intellectuals ranging from Herder and Schelling to Wagner and Nietzsche Williamson highlights three crucial factors in the emergence of the German engagement with myth the tradition of Philhellenist neohumanism a critique of contemporary aesthetic and public life as dominated by private interests and a rejection of the Bible by many Protestant scholars as the product of a foreign Oriental culture According to Williamson the discourse on myth in Germany remained bound up with problems of Protestant theology and confessional conflict through the nineteenth century and beyond A compelling adventure in intellectual history this study uncovers the foundations of Germany's fascination with myth and its enduring cultural legacy Envisioning Magic Peter Schäfer, Hans Kippenberg, 2018-09-24 This collection of twelve articles presents a selection of papers delivered in the course of a seminar 1994-95 and its concluding international symposium at the Institute for Advanced Study in Princeton The common theme is the interrelation between magic and religion focussing particularly on the Mediterranean world in Antiquity Egyptian Graeco Roman and Jewish beliefs and customs but also treating the early modern period in Northern Europe the Netherlands and Germany as well as offering more general reflections on elements of magic in language and Jewish mysticism The volume is characterized by an interdisciplinary approach and the use of varied methodologies emphasizing the dynamic nature of the often contradictory

forces shaping religious beliefs and practices while dismissing the idea of a linear development from magic to religion or vice versa The contributors are outstanding scholars in their fields Ancient Medieval and Modern History Religious Studies Jewish Studies Classical Studies Early Christianity Islamic Studies Anthropology Egyptology and Comparative Literature Without a doubt this re evaluation of a fascinating age old subject will stimulate scholarly discussion and appeal to educated non specialist readers as well

The Fatal Environment Richard Slotkin,2024-01-23 A two time National Book Award finalist s ambitious and provocative look at Custer s Last Stand capitalism and the rise of the cowboys and Indians legend The New York Review of Books In The Fatal Environment historian Richard Slotkin demonstrates how the myth of frontier expansion and subjugation of Native Americans helped justify the course of America s rise to wealth and power Using Custer s Last Stand as a metaphor for what Americans feared might happen if the frontier should be closed and the savage element be permitted to dominate the civilized Slotkin shows the emergence by 1890 of a mythos redefined to help Americans respond to the confusion and strife of industrialization and imperial expansion A clearly written challenging and provocative work that should prove enormously valuable to serious students of American history The New York Times An arresting hypothesis Henry Nash Smith American Historical Review
