Approaches to Language William C. McCormack, Stephen A. Wurm, 2011-06-15 No detailed description available for Approaches to Language Approaches to Language, Culture, and Cognition M. Yamaguchi, D. Tay, B. Blount, 2014-08-28 Approaches to Language Culture and Cognition aims to bring cognitive linguistics and linguistic anthropology closer together calling for further investigations of language and culture from cognitively informed perspectives against the backdrop of the current trend of linguistic anthropology Approaches to Language and Culture Svenja Völkel, Nico Nassenstein, 2022-08-22 This book provides an overview of approaches to language and culture and it outlines the broad interdisciplinary field of anthropological linguistics and linguistic anthropology It identifies current and future directions of research including language socialization language reclamation speech styles and genres language ideology verbal taboo social indexicality emotion time and many more Furthermore it offers areal perspectives on the study of language in cultural contexts namely Africa the Americas Australia and Oceania Mainland Southeast Asia and Europe and it lays the foundation for future developments within the field In this way the book bridges the disciplines of cultural anthropology and linguistics and paves the way for the new book series Anthropological Linguistics **The Handbook of Language Variation and Change** J. K. Chambers, Peter Trudgill, Natalie Schilling, 2008-04-15 The Handbook of Language Variation and Change written by a distinguished international roster of contributors reflects the vitality and growth of the discipline in its multifaceted pursuits It is a convenient hand held repository of the essential knowledge about the study of language variation and change Written by internationally recognized experts in the field Reflects the vitality and growth of the discipline Discusses the ideas that drive the field and is illustrated with empirical studies Includes explanatory introductions which set out the boundaries of the field and place each of the chapters into perspective Language and Society William C. McCormack, Stephen A. Wurm, 2011-06-15 No detailed description available for Language and Society The Oxford Handbook of Approaches to Language Evolution Limor Raviv, Cedric Boeckx, 2025-04-30 This handbook provides a detailed account of the many methodological tools and approaches used in the field of language evolution The field has seen a rapid growth over the last decade with a greater focus on empirical data and interdisciplinary syntheses This volume aims to make sense of these recent developments to provide a clear map of the current research landscape and to showcase some of the most important advances Each chapter highlights a particular methodology and outlines a question or set of questions that can be addressed using that methodology illustrated by a key example from the recent literature The volume is divided into three parts Part I showcases the many ways in which humans can shed light on the evolution of language when placed in specific experimental settings as well as discussing the use of clinical genetic observational and historical data Part II is devoted to simulations and models that enable the careful control of biases mechanisms and environments while Part III revolves around the idea that the study of non human animals can provide valuable insights into the evolution of human language The handbook as a whole

demonstrates that multiple complimentary approaches are necessary to do justice to the complexity of language evolution

Language Contact. Volume 1 Jeroen Darquennes, Joseph C. Salmons, Wim Vandenbussche, 2019-08-19 Language Contact An International Handbook offers a comprehensive overview of current topics in research on language contact Broadly conceived it stands out for its international approach to language contact complementing the theoretical state of the art with examples from traditionally eclipsed areas and languages Next to a thorough introductory overview of the ground breaking methodological and theoretical approaches that shaped the discipline ample attention goes to the new and innovative insights on language contact in the 21st century Combining concise introductory contributions with in depth treatment of the most relevant case studies in the field the handbook speaks to both junior and established scholars **Language of**
