Women and Political Violence Miranda Alison, 2009-01-21 This book directly challenges the stereotype that women are inherently peaceable by examining female combatants involvement in ethno national conflicts Drawing upon empirical case studies of Sri Lanka and Northern Ireland this study explores the ways in which women have traditionally been depicted Whereas women have predominantly been seen as victims of conflict this book acknowledges the reality of women as active combatants Indeed female soldiers irregulars are features of most modern conflicts and particularly in ethno nationalist violence until now largely ignored by mainstream scholarship Original interview material from the author s extensive fieldwork addresses why and how some women choose to become violently engaged in nationalist conflicts It also highlights the personal political costs and benefits incurred by such women This book provides a valuable insight into female combatants and is a significant contribution to the literature This book will be of great interest to students of political violence ethnic conflict gender studies and international relations in general American Berkshire Record American Berkshire Association, 1907 *The Peace Maker* Keith Hill, 2022-11-03 A young man named Lenny Gordon grows up with a burning desire to do something significant that will make our embattled world a more loving place to live He plays football in high school achieving honors resulting in full ride scholarship to Michigan University where he also receives much acclaimed offers to play for NFL teams Instead of going pro he accepts a job in the industry as a software engineer After three years the old yearning to do good for the world encompasses his mind and spirit He goes to his special little church and looks upward for heavenly guidance A sweet female voice comes down and blesses Lenny s peacemaker foray to the troubled world At this session he is told that he will be anointed with certain special powers With a flick of his fingers he will be able to transfix his audience He will be surrounded by a luminous shield protecting him from all sorts of physical and ammunition bombardments In his first peacemaking foray he confronts the US Congress and initiates the process of establishing a government that forever will not be headed up by a SINGLE PERSON Secondly he abolishes the ever bickering two party system and replaces with a no party Congress elected by popular vote and congressmen can only serve for one eight to ten years term so that the legislators will not legislative to be reelected Then he travels to countries of the world where wars and out of control riots are in process He finds a prominent point and freezes the combatants and threatens to starve them to death if they don t make peace with one another stating that he has been dispatched from the Godhead they all worship to carry forth his mission PEACE AND LOVE EVERYWHERE Then he has the pope gather the religious heads from all religions where he freezes the audience and explains that they all worship the same God Godhead no matter which religion they preach And the Godhead is made up of both male and female saints who achieved their heavenly position because of their kind loving lives whilst on the earth and he also cites that God instilled both male and females a natural desire for sex with each other so stop condemning consenting adults from having sexual intercourse adults including priests who seem to be taking out their sexual cravings out on children And lastly women are in so many ways more kind and loving and wise than

men that they should be encouraged to fill every sort of official responsibility including the papal office Then he travels about the world leading to the removal of all the country s armed forces and armaments After this he supervises the selection of well vetted persons from the world s 195 countries to make up a Peace and Love Organization the PALO who are the overseers of the peace and love of the whole planet The PALO assembles them to physics minds around the world who develop an airborne craft that DENUCLEARIZES all the atomic arsenals buried around the world During his journeys he meets and falls in love with a beautiful Romanian lady Romanna She travels with him on many of his missions and eventually they marry and produce a baby boy then a baby girl **The Peacemaker's Vengeance** Gary D.
