Before Social Anthropology Ebays On The History Of British Anthropology:

The Wild Australia Show Paul Memmott, Maria Nugent, Michael Aird, Lindy Allen, Chantal Knowles, Jonathan Richards, 2025-07-08 The Wild Australia Show was a troupe of 27 Aboriginal performers recruited from northern Queensland in the 1890s for a world tour that would culminate at the World's Columbian Exposition in Chicago in 1893 Those grand plans were ultimately dashed and the troupe only performed in Brisbane Sydney and Melbourne before disbanding This book tells the story of the Wild Australia Show from its inception to its afterlives It traces how the performers were recruited the places they came from the repertoire they created rehearsed and performed their experiences on tour and the politics of their representation in word and image Drawing on an extensive archive of newspaper reports government records and court proceedings richly complemented by photographs and other visual images the authors seek to reconstruct the Wild Australia Show story from the perspectives of the performers themselves The book contributes to a growing literature on the history of Aboriginal performers and performances under colonial conditions and the ways in which public performance could be a means for cultural survival and resurgence

The Routledge Handbook of Museums, Heritage, and Death Trish Biers, Katie Stringer Clary, 2023-07-26 This book provides a comprehensive examination of death dying and human remains in museums and heritage sites around the world Presenting a diverse range of contributions from scholars practitioners and artists the book reminds us that death and the dead body are omnipresent in museum and heritage spaces Chapters appraise collection practices and their historical context present global perspectives and potential resolutions and suggest how death and dying should be presented to the public Acknowledging that professionals in the galleries libraries archives and museums GLAM fields are engaging in vital discussions about repatriation and anti colonialist narratives the book includes reflections on a variety of deathscapes that are at the forefront of the debate Taking a multivocal approach the handbook provides a foundation for debate as well as a reference for how the dead are treated within the public arena Most important perhaps the book highlights best practices and calls for more ethical frameworks and strategies for collaboration particularly with descendant communities The Routledge Handbook of Museums Heritage and Death will be useful to all individuals working with studying and interested in curation and exhibition at museums and heritage sites around the world It will be of particular interest to those working in the fields of heritage museum studies death studies archaeology anthropology sociology and history

Cultures of Commodity Branding Andrew Bevan, David Wengrow, 2016-06-16 Commodity branding did not emerge with contemporary global capitalism In fact the authors of this volume show that the cultural history of branding stretches back to the beginnings of urban life in the ancient Near East and Egypt and can be found in various permutations in places as diverse as the Bronze Age Mediterranean and Early Modern Europe What the contributions in this volume also vividly document both in past social contexts and recent ones as diverse as the kingdoms of Cameroon Socialist Hungary or online eBay auctions is the need to understand branded commodities as part of a broader continuum with

techniques of gift giving ritual and sacrifice Bringing together the work of cultural anthropologists and archaeologists this volume obliges specialists in marketing and economics to reassess the relationship between branding and capitalism as well as adding an important new concept to the work of economic anthropologists and archaeologists Magazines for Libraries William A. Katz, 2006 *These Were People Once* Damien Huffer, Shawn Graham, 2023-09-15 People buy and sell human remains online Most of this trade these days is over social media In a study of this bone trade how it works and why it matters the authors review and use a variety of methods drawn from the digital humanities to analyze the sheer volume of social media posts in search of answers to questions regarding this online bone trade The answers speak to how the 21st century understands and constructs heritage more generally each person their own expert yet seeking community and validation and like the major encyclopedic museums built on a kind of digital neocolonialist othering of the dead **Race in Transnational and Transracial Adoption** Vilna Bashi Treitler, 2014-07-22 When parents form families by reaching across social barriers to adopt children where and how does race enter the adoption process How do agencies parents and the adopted children themselves deal with issues of difference in adoption This volume engages writers from both sides of the Atlantic to take a close look at these issues **Digital Culture & Society (DCS)** Pablo Abend, Mathias Fuchs, Ramón Reichert, Annika Richterich, Karin Wenz, 2016-03-15 Digital Culture Society is a refereed international journal fostering discussion about the ways in which digital technologies platforms and applications reconfigure daily lives and practices It offers a forum for critical analysis and inquiries into digital media theory and provides a publication environment for interdisciplinary research approaches contemporary theory developments and methodological innovation The second issue Quantified Selves Statistical Bodies provides methodological and theoretical reflections on technologically generated knowledge about the body and socio cultural practices that are subsumed discussed and criticized using the key concept Quantified Self **Hypercrime** Michael McGuire, 2007-12-06 Hypercrime develops a new theoretical approach toward current reformulations in criminal behaviours in particular the phenomenon of cybercrime Emphasizing a spatialized conception of deviance one that clarifies the continuities between crime in the traditional physical context and developing spaces of interaction such as a cyberspace this book analyzes criminal behaviours in terms of the destructions degradations or incursions to a hierarchy of regions that define our social world Each chapter outlines violations to the boundaries of each of these spaces from those defined by our bodies or our property to the more subtle borders of the local and global spaces we inhabit By treating cybercrime as but one instance of various possible criminal virtualities the book develops a general theoretical framework as equally applicable to the as yet unrealized technologies of criminal behaviour of the next century as it is to those which relate to contemporary computer networks Cybercrime is thereby conceptualized as one of a variety of geometries of harm merely the latest of many that have extended opportunities for illicit gain in the physical world Hypercrime offers a radical critique of the narrow conceptions of cybercrime offered by current justice systems and
