Beginners Guide To Antiques And Collectibles:

Beginners Guide to Antiques and Collectibles Diane Levenson, 2024 I came by my knowledge of antiques and collectibles the way you learn many things it was forced on me by my parents Maybe forced isn't the right word but I remember many of my childhood Saturdays were spent at auctions Over the years my parents collections expanded to occupy virtually every available space in our home including a dedicated room in our basement affectionately referred to as The Museum As an adult I collected different items that appealed to me albeit on a more modest scale than my parents Unlike my parents who thought only of buying I got into the seller's market I sold online as well as at shows and through auctions The thrill of the hunt for things to sell was as much fun as the actual sale of the items I'm happy to share some of that knowledge with you through this book A Beginner's Guide to Antiques and Collectibles Sigmund Rothschild, Reni L.
