Been There, Done That Dfc CD (Ret'd) Ron Butcher, Ron Butcher, 2006 According to Lieutenant General Bill Carr an ex Commander of Canada's Air Command and himself a decorated WWII Spitfire pilot This book contains the most vivid uncomplaining and honest descriptions I have ever read of what the WWII Bomber Command aircrews went through during the years 1939-1945 when they delivered no less than one and a quarter million tons of bombs on Hitler's empire From 1943 onward the US Army Air Corps added a further three quarter million tons to this total And those young aircrew suffered incomparable losses It is the gripping life story of a decorated Air Navigator who with his crew in a Lancaster did a tour of operations in a Canadian squadron of RAF Bomber Command in WWII spending nine months in the front lines There are tales of night raids to Southeast Germany and 6 raids to Berlin This milieu had up to 1 million personnel 20 625 guns 6 680 searchlights and about 400 fighters a formidable barrier across Western Germany and around the targets all with the prime purpose of frustrating the efforts to bomb shooting down aircraft and killing crews being their preferred outcome The tour terminated with bombing raids in France preparing for the invasion of Normandy There are also interesting details of cultural life on the base and in wartime Great Britain In addition the life and times of growing up in New Brunswick Canada in the 1920s are included as well as stories of pre war employment There are also post war stories of managing the family business returning to the RCAF as a construction engineer time as General Manager of the RCAF Association and proprietorship of Unique Decor Unlimited Stories of retirement include much about worldwide travel Once you start reading you'll find it so interesting you'll be reluctant to put it down

Been There, Done That (Lived to Tell) Magarette Boutillette, 2022-05-04 This is the story of a journey that begins with a jolt the bumpy sometimes lonely existence despite being surrounded by many The story tells of faith searching reason diving headfirst into independence along with the learning curve in making life and death decisions It tells about a gypsy with a Peter Pan heart living the hippie era the mental trials and tribulations of relationships life in the fast lanes of rock and roll It tells about the worm towing the ship of fame and fortune from Alaska crossing paths tempting fate and hearing the voices of ancient reason This is a story of coming to terms with reality and packing up the rose colored lenses of lost dreams and hopes It is the turning of pages as life unravels its truth It is about contemplating life's purpose and the existence of a creator reasoning for the weary sorrows in the world

her youthful appearance is forcing her into an undercover assignment she could do without posing as a freshman at a small
liberal arts college where rumor has it a secret prostitution ring is flourishing It could mean a career making expos But right
now pretending to be eighteen means dealing with a Clay Aiken obsessed roommate late night parties that test her aging
body and most embarrassing of all a massive crush on a guy who's just turned legal Suddenly Kathy's got the chance to do it
all over again hopefully better this time Fortunately she's a quick learner
