Beethoven Quartets:

The Beethoven Quartet Companion Robert Winter, Robert Martin, 1994 This collection offers Beethoven lovers detailed notes on the listening experience of each quartet and a range of more general perspectives

Beethoven's String Quartets Phillip Radcliffe, 1978-09-07 Beethoven's string quartets form one of the most intimate and revealing sections of his output giving a full and varied picture of his musical personality This study of the quartets by Philip Radcliffe first published by Hutchinson University in 1965 was reissued by Cambridge University Press in 1978 Each work is examined in detail describing the development of Beethoven's style a method that highlights the very strong individuality that remained unimpaired throughout the composition of these quartets They are compared with Beethoven's other music and with the string quartets of composers before and since This is a book which has proved itself to be of continuing value to the student of music at school and university level and to the general reader

The Beethoven Quartets Joseph Kerman, 1979 A critical study of the structure style and significance of the sixteen string quartets

Inside Beethoven's Quartets Lewis Lockwood, 2008-04-30 Beethoven's string quartets have rewarded the engagement of scholars performers and audiences for almost two hundred years This book and its accompanying recording invite you to experience three of these profound and beautiful works of music from the inside with a renowned Beethoven scholar and the Juilliard String Quartet as your guides

The String Quartets of Beethoven William Kinderman, 2010-10-01 We do not understand music it understands us This aphorism by Theodor W Adorno expresses the quandary and the fascination many listeners have felt in approaching Beethoven's late quartets No group of compositions occupies a more central position in chamber music yet the meaning of these works continues to stimulate debate William Kinderman's *The String Quartets of Beethoven* stands as the most detailed and comprehensive exploration of the subject It collects new work by leading international scholars who draw on a variety of historical sources and analytical approaches to offer fresh insights into the aesthetics of the quartets probing expressive and structural features that have hitherto received little attention This volume also includes an appendix with updated information on the chronology and sources of the quartets and a detailed bibliography

Beethoven's Theatrical Quartets Nancy November, 2013 The first detailed contextual study of Beethoven's middle period quartets encompassing reception history early performance practices aesthetic contexts and theatrical impetus

Beethoven's String Quartet in C-sharp Minor, Op. 131 Nancy November, 2021-05-14 In Beethoven's String Quartet in C sharp Minor Op 131 author Nancy November provides an analysis of Beethoven's Op 131 illuminated by excerpts from a range of sound recordings geared towards allowing the reader to access earlier modes of listening and interpretation The book's well rounded and multifaceted approach blends mainstream traditional scholarship with popular media

String Quartets in Beethoven's Europe Nancy November, 2022-04-19 String Quartets in Beethoven's Europe is the first detailed study of string quartets in late eighteenth and early nineteenth century Europe It brings together the work of nine scholars who explore little studied

aspects of this multi faceted genre Together this book s chapters deal with compositional responses to Beethoven s string quartets and the prestige of the genre varied compositional practices in string quartet writing with a particular emphasis on texture and performance elements and the reception of Beethoven s string quartets ca 1800 They include discussions of quartets composed for the amateur and connoisseur markets in Beethoven s Europe virtuosity the French Violin School and the quatuor brillant the relationship between quartet composers and their audiences during Beethoven s era and the cross pollination of quartet styles in Europe s musical centers such as Vienna Paris and St Petersburg *Beethoven's Quartets* Joseph de Marliave, 1928 Remarkably readable and accessible this classic exposition presents a bar by bar theme by theme analysis of all 16 quartets and the Grosse Fuge Joseph de Marliave eschews technical terms focusing on mood and general effects His numerous musical examples 321 in all offer crystalline illustrations of Beethoven s major themes and allow readers to follow every development and embellishment In addition to musicological information the author provides a complete background encompassing dates of composition reactions of contemporary audiences and critics the influences of Mozart and Haydn and Beethoven s transcendence of established forms Scholars will find abundant source material including quotations from other studies of Beethoven personal remarks by the composer and contemporary comments by Beethoven s patrons and friends Clear and detailed analyses in addition to a wealth of documentary material make this book one of the most complete and authoritative studies of Beethoven s quartets as well as one of the most enjoyable Book jacket

Beethoven's Theatrical Quartets Nancy November, 2014-01-09 Beethoven s middle period quartets Opp 59 74 and 95 are pieces that engage deeply with the aesthetic ideas of their time In the first full contextual study of these works Nancy November celebrates their uniqueness exploring their reception history and early performance In detailed analyses she explores ways in which the quartets have both reflected and shaped the very idea of chamber music and offers a new historical understanding of the works physical visual social and ideological aspects In the process November provides a fresh critique of three key paradigms in current Beethoven studies the focus on his late period the emphasis on heroic style in discussions of the middle period and the idea of string quartets as pure autonomous artworks cut off from social moorings Importantly this study shows that the quartets encompass a new lyric and theatrical impetus which is an essential part of their unique explorative character
