Before the Knife Carolyn Slaughter, 2007-12-18 In this unforgettable memoir acclaimed novelist Carolyn Slaughter recalls her childhood in Africa and how the land itself released her from a rage that threatened to destroy her For Carolyn Slaughter who grew up in Botswana in the 1950s it was the Kalahari Desert that made life bearable Her father was a cruel and violent district commissioner during the last days of British colonial rule and their family's stiff English facade masked an unspeakable household secret But out in the bush the intensity of the air and the beauty of the landscape touched her with a kind of feverish grace She would disappear for hours to watch the flat brown river with its water lilies and crocodiles the thorn trees and the flocks of flamingos the local women with their babies strapped to their backs Filled with the majesty and splendor of the ever changing desert *Before The Knife* is the deeply moving story of a girl who endured and transcended her family's violence to emerge an impassioned observer and explicator of her world *Before the Knife* Carolyn

Breakfast Benjy Griffith, 2008 Benjy Griffith's novel *Whiskey before Breakfast* is a Southern page turner told with humor and an uncanny ear for the Southern idiom It presents a motley cast of Middle Georgia originals caught up in the struggles of the Great Depression The principal characters thirteen year old Newt and his friend Jefferson will remind some readers of Huck Finn and Jim Both boys have abusive fathers and both deal with challenging situations While Huck's answer to most problems is an instantly devised tall tale Newt faced with even more perilous trials relies on an innate understanding of what

motivates human beings Newt's compassion expressed in his gentle protection of his mentally handicapped younger brother also sets him apart Jefferson who experiences a life changing moment during a rare visit to church is also a more complex character than his counterpart Jim Standing out among the minor characters is Hap a comical backwoods entrepreneur Earl Ham Newt's profane tyrannical father has two main businesses a sawmill and moonshine whiskey He decides to move into rival territory sending Jefferson an alcoholic who will work for whiskey along with Newt who will sell the moonshine and protect the money But this is Newt's story and it is one that will linger with the reader long after the final pages BOOK
