Cultural Memory of Language Susan Samata, 2014-11-20 I can't even speak my own language were the words overheard in a college staffroom that triggered the writing of this book Calling something my own implies a personal proprietorial relationship with it But how can it be your own if you cannot speak it The Cultural Memory of Language looks at unintended monolingualism a lack of language fluency in a migratory cultural situation where two or more languages exist at home It explores family history and childhood language acquisition and attrition What is the present everyday experience of language use and life between two cultures Examining interview data Samata uncovers a sense of inauthenticity felt by people who do not fully share a parent's first language Alongside this features a sense of concurrent anger and a need to assign blame Participation in the language even to the extent of phatic or formulaic phraseology occasions feelings of authentic linguistic and cultural inclusion The book thus uncovers appreciable and measurable benefits in positive self image

and a sense of well being Looking at how people view language is essential how they view the language they call their own is even more important and this book does just that in a qualified applied linguistic environment **The Indian National Bibliography** ,2005 **Reader's Guide to the History of Science** Arne Hessenbruch,2013-12-16 The Reader s Guide to the History of Science looks at the literature of science in some 550 entries on individuals Einstein institutions and disciplines Mathematics general themes Romantic Science and central concepts Paradigm and Fact The history of science is construed widely to include the history of medicine and technology as is reflected in the range of disciplines from which the international team of 200 contributors are drawn *Behind Psychology: Searching For The Roots* Irs Vijay Singal,2008

Cancer Poetry Iain Twiddy,2016-04-29 This is the first critical study to offer a sustained analysis of the theme of cancer in contemporary poetry In discussing works by major poets including Paul Muldoon Jo Shapcott and Christopher Reid Cancer Poetry traces the complex ways in which poets represent cancer and assesses how poetry can be instrumental to emotional recovery Indian Books in Print ,2003 The Science Behind Adventure Nicky Huys,2025-11-18 The Science Behind Adventure takes readers on an exhilarating journey through the fascinating interplay of science and exploration This book delves into the psychology of adventure examining why humans are drawn to risk and the benefits that adventurous experiences bring to our lives Through engaging narratives scientific research and expert insights it uncovers the physiological and psychological transformations that occur during thrilling activities From the adrenaline rush of extreme sports to the serenity of nature hikes discover how adventure shapes our identity builds resilience and fosters a deeper connection to the world around us Whether you re an adrenaline junkie or a curious explorer this book will inspire you to embrace the adventure within and understand the science that fuels our desire to discover the unknown
