**Behind the Mask** Angela M. Heap, 2019-06-13 This new study of Menander casts fresh light not only on the techniques of the playwright but also on the literary and historical contexts of the plays Menander 342 1 292 1 BCE wrote over a hundred popular comedies several of which were adapted by Plautus and Terence Through them he was a major influence on Shakespeare and Moli re However his work survived only in excerpts and quotation until some significant texts reappeared in the nineteenth and twentieth centuries on papyrus The mystery of their loss and rediscovery has raised key questions surrounding the transmission of these and other Greek texts Theatrical masks from the fourth century BCE discovered on the island of Lipari now also provide important material with which this book examines how the plays were originally performed A detailed investigation of their historical setting is offered which engages with recent debates on the importance of social status and citizenship in Menander s plays The techniques of characterization are also examined with particular focus on women slaves and power relationships in his Epitrepontes It appears that the audience was invited sometimes subversively behind the mask of this sophisticated comedy to discover that people do not always conform to literary expectations and social norms

Life Behind the Mask Didier Mouturat, 2016-06-14 You had to decide to let yourself be turned upside down you had to accept to see the idea you had forged about yourself progressively shatter In the summer of 1969 at 19 years old Didier Mouturat gave up on college shattering his parents hopes that he follow a safe and conventional course Fresh from the wild Parisian student revolt of 1968 with its street battles and slogans he set out to find a life that would be truly alive deciding to be a classical actor When he met Cyrille Dives however the universe of masks quietly turned his world upside down This book describes

Mouturat's apprenticeship to a unique theater artist In the 1970s and early 80s Dives created a theater of masks a Western parallel to Japanese Noh Dives was a true bohemian artist a sculptor of masks a painter and theatrical director Cyrille Dives was also a spiritual master Mouturat's apprenticeship encompassed everything from walking in a way that brings a mask to life to cultivating a beginner's mind Slowly and subtly the theater apprenticeship became an encounter with the deeper truth of his own being I am speaking of an intimate progressive discovery that we are not masters of our own being that it is only the result of a system of reactions that tyrannize us Mouturat becomes Dives's right hand man helping establish a theater and a school of masks That work is evident here in enchanting illustrations as well as words Yet as translated by the scholar and author Roger Lipsey Mouturat also offers a pithy chronicle of a search for meaning and inner being
