John Farkis

Behind The Scenes Of Home Alone :

Behind the Scenes Darwin Payne, 2023-10-15 On November 22 1963 the author of *Behind the Scenes* was a young Dallas Times Herald reporter who sprinted from his newspaper desk to Dealey Plaza minutes after shots were fired at President John F Kennedy Thus began Darwin Payne s close involvement in covering one shocking event after another on this history making weekend Eyewitnesses he found at Dealey Plaza included Abraham Zapruder who insisted from the first moments that the president could not have survived the serious wounds he had seen so clearly through his camera viewfinder Payne interviewed detectives outside the School Book Depository that early afternoon as they brought down evidence of the shooter s location as well as his rifle and he was among several journalists taken to the assassin s sixth floor window from where fatal shots had been fired Before the day ended Payne was in the Oak Cliff rooming house where the suspect had been living briefly apart from his Russian wife Marina Payne learned that the alleged assassin now in police custody after being charged with the murder of officer J D Tippit was known as O H Lee instead of Lee Harvey Oswald On Payne s regular Saturday night police beat duty he was among the growing number of assertive journalists from throughout the nation who saw and heard Oswald being led to and from his jail cell to the homicide office for interrogation As detectives pushed their way with him through the crowd of reporters he responded to their questions with defiant claims of innocence The mind boggling weekend was still not over for the next morning nightclub owner Jack Ruby shot and killed Oswald *Friends Behind the Scenes* Dennis Bjorklund, 2023-10-02 Written by an authoritative expert *Friends Behind the Scenes* Backstage Pass to the Series A Comprehensive History is the most in depth book ever written about the series It provides a unique insider perspective and dishes the dirt on never before revealed secrets such as outing the cast member who was nearly fired from the series TWICE *Friends Behind the Scenes* commences with the showrunners backstory and a comprehensive recounting of the series concept the pitch presented to NBC and the network s objections Fans get a confidant s look into the TV industry and the trio s struggle to protect their pilot concept and creative vision The journey also uncovers early script drafts with jaw dropping disclosures about the main characters there was a highly promiscuous female an arrogant self centered jerk from Chicago and a homosexual The next chapters immerse the sitcom enthusiast into the laborious casting process with amazing revelations such as the two costars who turned down guaranteed roles and a once rejected cast member who was only hired because NBC insisted The likelihood of all six actors being chosen for the pilot was astronomically minuscule especially since two of the costars were committed to other projects and a handful of famous actors were offered costarring roles in the series *Friends Behind the Scenes* unravels the mysteries behind shooting the pilot how a test audience s negative report nearly capsized the series and what finally convinced NBC to gamble on adding the show to its fall schedule The following pages methodically outline the showrunners diligent efforts to assemble an incomparable creative team and hire brilliant wardrobe hair and makeup specialists who redefined 1990s fashion Of course TV junkies cannot forget the memorable title

sequence with all the fountain frivolity and the mind numbing theme song that captivated the world Astonishingly the original intro was completely different with an up tempo singalong by a famous rock band that refused to license the track because the lead singer despised the hit single Avid enthusiasts will discover how The Rembrandts were eventually hired and why they did not want their name attached to the bubblegum pop ditty Readers are transported backstage to witness how episodes were produced and how guest stars were chosen with dazzling insight into the ones that got away including a famous pop singer three iconic movie stars and a rock legend In addition tome travelers will get an insider scoop into the world of stand ins body doubles and famous extras who appeared on the show and marvel at the history of sets how they were designed and decorated and even the story behind famous props and set dressings like the peephole picture frame and burnt orange sofa Further interviews unearth the private salary negotiations that eventually made the cast the highest paid actors on television Actors confessions shed light on how success impacted their lives and what made the sextet decide to call it quits after ten seasons Friends disciples will be privy to the soundstage hysteria during the final days of shooting and the epochal send off by NBC while sitcom purists will be enraptured by the historical overview of the show s evolution from struggling newbie to ratings giant en route to its unprecedented success in syndication and streaming Finally the remaining chapters detail the societal impact of Friends and offer numerous trivia tidbits that have evaded most Friends aficionados for decades

The American Weird Julius Greve, Florian Zappe, 2020-10-01 Hitherto classified as a form of genre fiction or as a particular aesthetic quality of literature by H P Lovecraft the weird has now come to refer to a broad spectrum of artistic practices and expressions including fiction film television photography music and visual and performance art. Largely under theorized so far The American Weird brings together perspectives from literary cultural media and film studies and from philosophy to provide a thorough exploration of the weird mode. Separated into two sections the first exploring the concept of the weird and the second how it is applied through various media this book generates new approaches to fundamental questions. Can the weird be conceptualized as a generic category as an aesthetic mode or as an epistemological position? May the weird be thought through in similar ways to what Sianne Ngai calls the zany the cute and the interesting? What are the transformations it has undergone aesthetically and politically since its inception in the early twentieth century? Which strands of contemporary critical theory and philosophy have engaged in a dialogue with the discourses of and on the weird? And what is specifically American about this aesthetic mode? As the first comprehensive interdisciplinary study of the weird this book not only explores the writings of Lovecraft Caitlín Kiernan China Miéville and Jeff VanderMeer but also the graphic novels of Alan Moore the music of Captain Beefheart the television show Twin Peaks and the films of Lily Amirpour Matthew Barney David Lynch and Jordan Peele.

Behind the Scenes of Home Alone 2 Jordan Horowitz, 1992 Depicts the making of the film Home Alone 2: Lost in New York and explains the jobs of the screenwriter producer director cinematographer and costume designer.

Women Make Horror Alison Peirse, 2020-09-17 Winner of the the 2021 Best Edited Collection Award from BAFTSS Winner of the 2021 British Fantasy Award in Best Non Fiction Finalist for the 2020 Bram Stoker Award for Superior Achievement in Non Fiction Runner Up for Book of the Year in the 19th Annual Rondo Halton Classic Horror Awards. But women were never out there making horror films that's why they are not written about you can't include what doesn't exist. Women are just not that interested in making horror films. This is what you get when you are a woman working in horror whether as a writer academic festival programmer or filmmaker. These assumptions are based on decades of flawed scholarly critical and industrial thinking about the genre. Women Make Horror sets right these misconceptions. Women have always made horror. They have always been an audience for the genre and today as this book reveals women academics

critics and filmmakers alike remain committed to a film genre that offers almost unlimited opportunities for exploring and deconstructing social and cultural constructions of gender femininity sexuality and the body Women Make Horror explores narrative and experimental cinema short anthology and feature filmmaking and offers case studies of North American Latin American European East Asian and Australian filmmakers films and festivals With this book we can transform how we think about women filmmakers and genre

Behind The Scenes Of Home Alone Introduction

In the digital age, access to information has become easier than ever before. The ability to download Behind The Scenes Of Home Alone has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Behind The Scenes Of Home Alone has opened up a world of possibilities. Downloading Behind The Scenes Of Home Alone provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Behind The Scenes Of Home Alone has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Behind The Scenes Of Home Alone . These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Behind The Scenes Of Home Alone . Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Behind The Scenes Of Home Alone , users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Behind The Scenes Of Home Alone has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available

and embark on a journey of continuous learning and intellectual growth.
