Behind Th Ballots The Personal History:

The Confidante Christopher C. Gorham, 2023-02-21 Perfect for readers of *A Woman of No Importance* *Three Ordinary Girls* and *Eleanor A Life* comes the first ever biography of Anna Marie Rosenberg the Hungarian Jewish immigrant who became FDR's closest advisor during World War II and according to *Life* the most important official woman in the world a woman of many firsts whose story forgotten for too long is extraordinary inspiring and uniquely American Her life ran parallel to the front lines of history yet her influence on 20th century America from the New Deal to the Cold War and beyond has never before been told A Goodreads Choice Awards Nominee As Franklin Delano Roosevelt's special envoy to Europe in World War II she went where the president couldn't go She was among the first Allied women to enter a liberated concentration camp and stood in the Eagle's Nest Hitler's mountain retreat days after its capture She guided the direction of the G I Bill of Rights and the Manhattan Project Though Anna Rosenberg emerged from modest immigrant beginnings equipped with only a high school education she was the real power behind national policies critical to America winning the war and prospering afterward Astonishingly her story remains largely forgotten With a disarming mix of charm and Tammany hewn toughness Rosenberg began her career in public relations in 1920s Manhattan She became friends with Eleanor Roosevelt who recommended Anna to her husband who was then running for Governor of New York As FDR's unofficial adviser Rosenberg soon wielded enormous influence no less potent for being subtle Roosevelt dubbed her my Mrs Fix It Her extraordinary career continued after his death By 1950 she was tapped to become the assistant secretary of defense the highest position ever held by a woman in the US military prompting Senator Joe McCarthy to wage an unsuccessful smear campaign against her In 1962 she organized John F Kennedy's infamous birthday gala sitting beside him while Marilyn Monroe sang Until the end of her life Rosenberg fought tirelessly for causes from racial integration to women's equality to national health care More than the story of one remarkable woman *The Confidante* explores who gets to be at the forefront of history and why Though she was not quite a hidden figure Rosenberg's position as the power behind combined with her status as an immigrant and a Jewish woman served to diminish her importance In this inspiring impeccably researched and revelatory book Christopher C Gorham at last affords Anna Rosenberg the recognition she so richly deserves Far and away the most important woman in the American government and perhaps the most important official female in the world *LIFE* magazine 1952 *Behind the Ballots* James Aloysius Farley, 1938 ***The Wizard of Washington*** M. Holli, 2002-03-28 Historians have tended to point to John F Kennedy's 1960 bid for the presidency as the first time a candidate relied extensively on public opinion polls to drive a campaign Polling has come to define American politics and is perhaps most clearly embodied in Bill Clinton the post poll driven president in history Melvin G Holli dismisses this notion however and reveals that presidential reliance on public opinion polls dates back to the New Deal Era when Franklin Roosevelt employed a first generation Finnish American named Emil Hurja to conduct polls for this 1932 and 1936

presidential campaigns Holli shows us how Hurja convinced the Democratic National Committee to allow him to apply the new science of polling FDR s presidential campaign of 1932 Roosevelt s triumph at the polls in that year and again in 1936 as well as the spectacular 1934 Democratic mid term congressional victory was legendary Holli restores Hurja to his rightful place in American history and politics showing us that the Washington press corps were right on target when they dubbed Hurja the Wizard of Washington Prologue ,1982 **The Irish and the American Presidency** Nicole Anderson

Yanoso,2017-07-05 There is a widely held notion that except for the elections of 1928 and 1960 the Irish have primarily influenced only state and local government The Irish and the American Presidency reveals that the Irish have had a consistent and noteworthy impact on presidential careers policies and elections throughout American history Using US party systems as an organizational framework this book examines the various ways that Scots Irish and Catholic Irish Americans as well as the Irish who remained in eire have shaped altered and sometimes driven such presidential political factors as party nominations campaign strategies elections and White House policymaking The Irish seem to be inextricably interwoven into important moments of presidential political history Yanoso discusses the Scots Irish participation in the American Revolution the Whiskey Rebellion and the War of 1812 She describes President Bill Clinton s successful Good Friday Agreement that brought peace and hope to Northern Ireland And finally she assesses the now common presidential visits to Ireland as a strategy for garnering Irish American support back home No previous work has explored the impact of Irish and Irish American affairs on US presidential politics throughout the entire scope of American history Readers interested in presidential politics American history and or Irish Irish American history are certain to find The Irish and the American Presidency enjoyable informative and impactful *Pendergast!* Lawrence H. Larsen,Nancy J. Hulston,2013-07-05 More than a half century after the death of Kansas City s notorious political boss Thomas J Pendergast the Pendergast name still evokes great interest and even controversy Now in this first full scale biography of Pendergast Lawrence H Larsen and Nancy J Hulston have successfully provided through extensive research including use of recently released prison records and previously unavailable family records a clear look at the life of Thomas J Pendergast Born in St Joseph Missouri in 1872 Tom Pendergast moved to Kansas City around 1890 to work for his brother James founder of the Pendergast Goat faction in Kansas City Democratic politics In 1911 Pendergast became head of the Goats and over the next fifteen years he created a powerful political machine that used illegal voting and criminal enforcers to gain power Following a change in the city charter in 1925 Pendergast took control of Kansas City and ran it as his own personal business In the 1930s he received over 30 million annually from gambling prostitution and narcotics putting him in the big leagues of American civic corruption He also wielded great power in the National Democratic Party and started Harry S Truman on the road to the presidency In this well balanced biography the authors examine Pendergast s rise to power his successes as a political leader his compassion for the destitute and his reputation for keeping his word They also examine Pendergast s character development and how his

methods became more and more ruthless Pendergast had no use for ideology in his invisible government only votes counted In 1937 and 1938 the federal government broke the back of Pendergast's machine convicting 259 of his campaign aides for vote fraud In 1939 Pendergast who was believed to be the largest bettor on horse racing in the United States was jailed for income tax evasion and he died in disgrace in 1945 An insightful and comprehensive biography Pendergast will surely serve for years to come as the most thorough investigation of the life and infamous career of Tom Pendergast **American**

Populist Thomas E. Patterson, 2025-02-14 Thomas E Patterson's monumental biography of Huey Long is a profound reevaluation of his life and legacy recognizing him as an inspirational progressive thinker populist hero and radical influence on the New Deal before an assassin's bullet ended his life in 1935 First as governor and then as U S senator Long transformed the politics of Louisiana by standing for the interests of citizens whom state officials had historically ignored He eased suffrage restrictions so that more people could vote and voters endorsed his program of more robust government services and shifting the tax burden to those better able to pay In the United States Senate during the darkest days of the Great Depression he advocated loudly and ceaselessly for the redistribution of wealth expanding public works increasing the money supply insuring bank deposits paying old age pensions and veterans benefits delivering a minimum income for families and funding college and vocational education President Franklin D Roosevelt along with other politicians and pundits dismissed Long's proposals as nonsense put forth by a reckless demagogue in search of votes Despite several biographies acclaimed novels and historical studies in the years since Long's death his reputation today is mostly caricature a spellbinding speaker a dictator a populist firebrand who was unprincipled and corrupt Using previously untapped personal papers of Long and his son Russell other primary sources recent scholarship and his experience as a lawyer Patterson provides a necessary corrective as he analyzes the contours of Long's career deconstructs the elements of his success undercuts several myths related to his time in office and explains the circumstances that led to his ultimate downfall The result is the most comprehensive balanced and analytical study of the Kingfish to date *Changing Concepts of Time* Harold

A. Innis, 2004-02-10 This classic book Harold Innis's last returns to print with a new introduction by James Carey An elaboration of Innis's earlier theories *Changing Concepts of Time* looks at then new technological changes in communication and considers the different ways in which space and time are perceived Innis explores military implications of the U S constitution freedom of the press communication monopolies culture and press support of presidential candidates among other interesting and diverse topics *The American People in the Great Depression* David M. Kennedy, 2003-11-20 On

October 24 1929 America met the greatest economic devastation it had ever known In this first installment of his Pulitzer Prize winning *Freedom from Fear* Kennedy tells how America endured and eventually prevailed in the face of that unprecedented calamity Kennedy vividly demonstrates that the economic crisis of the 1930s was more than a reaction to the excesses of the 1920s For more than a century before the Crash America's unbridled industrial revolution had gyrated

through repeated boom and bust cycles consuming capital and inflicting misery on city and countryside alike Nor was the alleged prosperity of the 1920s as uniformly shared as legend portrays Countless Americans eked out threadbare lives on the margins of national life Roosevelt's New Deal wrenched opportunity from the trauma of the 1930s and created a lasting legacy of economic and social reform but it was afflicted with shortcomings and contradictions as well With an even hand Kennedy details the New Deal's problems and defeats as well as its achievements He also sheds fresh light on its incandescent but enigmatic author Franklin D Roosevelt Marshalling unforgettable narratives that feature prominent leaders as well as lesser known citizens The American People in the Great Depression tells the story of a resilient nation finding courage in an unrelenting storm

Propaganda and Mass Persuasion Nicholas J. Cull, David H. Culbert, David Welch, 2003-07-15 A truly international authoritative A Z guide to five centuries of propaganda in both wartime and peacetime which covers key moments techniques concepts and some of the most influential propagandists in history This fascinating survey provides a comprehensive introduction to propaganda its changing nature its practitioners and its impact on the past five centuries of world history Written by leading experts it covers the masters of the art from Joseph Goebbels to Mohandas Gandhi and examines enormously influential works of persuasion such as Uncle Tom's Cabin techniques such as films and posters and key concepts like black propaganda and brainwashing Case studies reveal the role of mass persuasion during the Reformation and wars throughout history Regional studies cover propaganda superpowers such as Russia China and the United States as well as little known propaganda campaigns in Southeast Asia Ireland and Scandinavia The book traces the evolution of propaganda from the era of printed handbills to computer fakery and profiles such brilliant practitioners of the art as Third Reich film director Leni Riefenstahl and 19th century cartoonist Thomas Nast whose works helped to bring the notorious Boss Tweed to justice

Adopting the Beat of Appearance: An Psychological Symphony within **Behind Th Ballots The Personal History**

In a global taken by screens and the ceaseless chatter of quick interaction, the melodic splendor and emotional symphony created by the written term often fade into the back ground, eclipsed by the constant noise and interruptions that permeate our lives. Nevertheless, nestled within the pages of **Behind Th Ballots The Personal History** a marvelous literary value brimming with natural emotions, lies an immersive symphony waiting to be embraced. Constructed by an outstanding musician of language, this charming masterpiece conducts visitors on a mental journey, well unraveling the hidden songs and profound impact resonating within each carefully crafted phrase. Within the depths of this moving analysis, we will discover the book is central harmonies, analyze their enthralling publishing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
