Achatz,Nick Kokonas,2012-03-06 One of America s great chefs Vogue shares how his drive to cook immaculate food won him international renown and fueled his miraculous triumph over tongue cancer In 2007 chef Grant Achatz seemingly had it made He had been named one of the best new chefs in America by Food Wine in 2002 received the James Beard Foundation Rising Star Chef of the Year Award in 2003 and in 2005 he and Nick Kokonas opened the conceptually radical restaurant Alinea which was named Best Restaurant in America by Gourmet magazine Then positioned firmly in the world s culinary spotlight Achatz was diagnosed with stage IV squamous cell carcinoma tongue cancer The prognosis was grim and doctors agreed the only course of action was to remove the cancerous tissue which included his entire tongue Desperate to preserve his quality of life Grant undertook an alternative treatment of aggressive chemotherapy and radiation But the choice came at a cost Skin peeled from the inside of Grant s mouth and throat he rapidly lost weight and most alarmingly he lost his sense of taste Tapping into the discipline passion and focus of being a chef Grant rarely missed a day of work He trained his chefs to mimic his palate and learned how to cook with his other senses As Kokonas was able to attest The food was never better Five months later Grant was declared cancer free and just a few months following he received the James Beard Foundation Outstanding Chef in America Award *Life on the Line* tells the story of a culinary trailblazer s love affair with cooking but it is also a book about survival about nurturing creativity and about profound friendship Already much anticipated by followers of progressive cuisine Grant and Nick s gripping narrative is filled with stories from the world s most renowned kitchens The French Laundry Charlie Trotter s el Bulli and sure to expand the audience that made Alinea the number one selling restaurant cookbook in America last year Watch a Video

A Girl's Guide to Chicago Kelly Russell,2018-05-31 In this book based on a true story of a girl in her twenties who packs her bags and follows her lifelong dream of moving to Chicago take a journey with Kelly and discover the hidden gems you never knew about as she starts a new career makes new friendships and even falls into an unexpected romance Back cover [Living Landmarks of Chicago](#) Theresa L.

Goodrich,2021-04-21 From the man shipped home in a rum barrel to the most dangerous woman in America Chicago history comes to life in these tantalizing tales *Living Landmarks of Chicago* goes beyond the what when and where to tell the how and why of fifty Chicago landmarks More than a book about architecture these are stories of the people who made Chicago

and many of its most popular tourist attractions what they are today Each chapter is a vignette that introduces the landmark and brings it to life and the book is organized chronologically to illustrate the development of the city's distinct personality These fifty landmarks weave an interconnected tale of Chicago between 1836 and 1932 and beyond History lines Chicago's sidewalks Stroll down LaSalle or Dearborn or State and you'll see skyscrapers that have been there for a century or more It's easy to scurry by to dismiss the building itself but a hunt for placards turns up landmarks every few feet it seems Here's a Chicago landmark there's a National Historic landmark They're everywhere Ironically these skyscrapers keep the city grounded they illustrate a past where visionaries took fanciful impossible ideas and made them reality Buildings sinking Raise them River polluting the lake and its precious drinking water Reverse it Overpopulation and urban sprawl making it challenging to get to work Build up From the bare to the ornate from exposed beams to ornamented facades the city's architecture is unrestrainedly various yet provides a cohesive beautiful skyline that illustrates the creativity of necessity and the necessity of creativity After a sound bite history of the city's origins you'll meet the oldest house in Chicago or is it Kinda Sorta Depends on who you ask That's Chicago Nothing's simple and nothing can be taken for granted The reason the city has a gorgeous skyline and a vibrant culture and a notorious reputation for graft is because of those who built it envisioned it manipulated it Add Living Landmarks of Chicago to your cart and see what made Chicago so very Chicago

The Living Church, 1906 *The Blacksmiths Journal*, 1912 **The Allure of Immortality** Lyn Millner, 2023-02-07 Wall Street Journal's Five Best Books About Cults The true story of cult leader Cyrus Teed and his hollow earth theory For five days in December 1908 the body of Cyrus Teed lay in a bathtub at a beach house just south of Fort Myers Florida His followers the Koreshans waited for signs that he was coming back to life They watched hieroglyphics emerge on his skin and observed what looked like the formation of a third arm They saw his belly fall and rise with breath even though his swollen tongue sealed his mouth As his corpse turned black they declared that their leader was transforming into the Egyptian god Horus Teed was a charismatic and controversial guru who at the age of 30 had been illuminated by an angel in his electro alchemical laboratory At the turn of the twentieth century surrounded by the marvels of the Second Industrial Revolution he proclaimed himself a prophet and led 200 people out of Chicago and into a new age Or so he promised The Koreshans settled in a mosquito infested scrubland and set to building a communal utopia inside what they believed was a hollow earth with humans living on the inside crust and the entire universe contained within According to Teed's socialist and millennialist teachings if his people practiced celibacy and focused their love on him he would return after death and they would all become immortal Was Teed a visionary or villain savior or two bit charlatan Why did his promises and his theory of cellular cosmogony persuade so many Now comes the bombshell news that David Koresh apocalyptic leader of the Waco Branch Davidians plagiarized Teed and did so unwittingly Released on the 30th anniversary of the deadly events in Waco this edition of *The Allure of Immortality* includes a preface about this astonishing discovery In this book Lyn Millner weaves the many bizarre strands of Teed's life

and those of his followers into a riveting story of angels conmen angry husbands yellow journalism and ultimately hope
