Babel And The Beast:

Between Babel and Beast Peter J. Leithart, 2012-07-06 The United States is one of history's great Christian nations but our unique history success and global impact have seduced us into believing we are something more God's New Israel the new order of the ages the last best hope of mankind a redeemer nation Using the subtle categories that arise from biblical narrative Between Babel and Beast analyzes how the heresy of Americanism inspired America's rise to hegemony while blinding American Christians to our failures and abuses of power The book demonstrates that the church best serves the genuine good of the United States by training witnesses martyr citizens of God's Abrahamic empire **Babel and the Beast** Larry E. Preiss, 2002-12-01 **The Epistle of Jesus to the Church** James D. Quiggle, 2008-01-01 The Epistle of Jesus to the Church is a commentary on the book of Revelation that assumes Jesus was the author and John the reporter of the words and events described Here one will not find an explanation of an anti Roman message written by John in hidden codes and apocalyptic motifs to fool Roman authorities John the apostle and prophet was the faithful scribe who did not create the message but faithfully and accurately described all that he saw and heard This commentary follows the principle that the Scriptures explain themselves because the Revelation is a word from Jesus to his church a word that is grounded in the Scriptures The Epistle of Jesus to the Church has been written with teachers students and pastors in mind The interpretation of the book of Revelation is thorough difficult passages are addressed and plausible answers are provided to the questions posed by in depth study of the biblical book This is a commentary for personal study or classroom instruction one that may be confidently used to preach and teach the Revelation of Jesus to the church **Secrets of Revelation** Jacques Doukhan, 2002 Jacques B Doukhan an Adventist scholar of Jewish heritage mines the Old Testament to uncover new meaning in the battle of Armageddon and the millennium He ties the symbolism of the book to the sanctuary service of ancient Israel showing how the seven sections of the book correspond to the seven feasts of Judaism He argues that the prophecies of Revelation foretell the eventual discrediting of secularism Egypt the resurgence of conservative religion Babylon and a final coalition of the two movements in the climactic events before the second coming of Christ to defeat sin and save His people **THE TRUTH ABOUT FREEMASONS, ILLUMINATI, AND NEW WORLD ORDER** S.D.S C.M.W, 2012-03 Two Books In One The New World Order's Letter to Every Citizen of the World warning Resistance is Futile According to this letter addressed to everybody in America it's useless to resist a one world takeover as the program is in its final stages The Very word secrecy is repugnant in a free and open society and we are as people inherently and historically opposed to secret societies to secret oaths and to secret proceedings We decided long ago that the dangers of excessive and unwarranted concealment of pertinent facts far outweighed the dangers which are cited to justify If you have the privilege to know you have the duty to act Arcana Coelestia: or, Heavenly Mysteries contained in the Sacred Scriptures, or Word of the Lord, manifested and laid open ... Now first translated ... by a Society of Gentlemen [or rather by John Clowes. With the text of Genesis and Exodus].

The Prophets of God John F. Finkbeiner,2012-01-31 We are at war When our Lord and King prepares for battle he first releases a loyal band of servants prophets who boldly declare his intentions Objective observers agree that this world is headed in a very bad direction The signs for an impending disaster are everywhere Profiteers are capitalizing on this growing sense of danger by manufacturing dire end of the world predictions These false prophecies swirl about as people struggle to make sense of the increasing insanity and violence Presently God is selecting and preparing his anointed prophets for a global assault They will overturn the money changers tables in the compromising and lukewarm church as they announce the coming destruction of the wicked Even now Satan is sending a great multitude of his minions to every institution where he has a foothold in order to undermine the truth and fill the minds of the Biblically uninformed with lies fear and hatred It will take a hero s courage to read The Prophets of God with an open mind and an open Bible Taking a Pre Wrath Rapture position the arguments contained inside have the power to rock the Christian establishment to its core If the message in this book becomes widely known it will thoroughly upset those profiting from the status quo But that is what the Spirit must do What comes out of the prophet s mouth is a two edged sword that judges each one hearing the message Inside The Prophets of God readers will have a valuable resource as they go forward to the end of this age and the return of Christ Each page promotes wisdom that comes from God while exposing the deceit that originates in the hell of his defeated foe Chapters such as The King s Enemy Counterfeits The Sword Captivity The Surprise Judgment and Restoration will excite and challenge every Bible student regardless of their knowledge level Nothing is more powerful than an idea whose time has come Absolutely nothing can stop it What is contained in The Prophets of God will demonstrate again how the pen is mightier than the sword Why now Why this book It is because it is the season for war The time for the great battle prophesied at Jesus return will soon arrive Before then sides will be chosen men and women will persuade their children and their friends as to whom they should believe On the day of the Lord s salvation those with a future and a hope will all have one thing in common They recognized heard and followed The Prophets of God
