Baby Angels Jigsaw Puzzle:

An Angel with Secrets Marti Eicholz, 2019-05-02 An Angel with Secrets is a novel dealing with human experience and imaginary characters. When Mary takes the fall for her boyfriend Luke and goes to jail, she has no idea her fate is not the only one at stake. She is pregnant and she gives birth to her daughter Angel behind bars, where Mary raises her for the first eighteen months of Angel's life until Luke takes Angel from the prison. However, Angel quickly discovers that living with Luke and his girlfriend Sophia has its own problems as she is frequently caught in the crossfire of their fractious relationship. Luke ultimately leaves Sophia and Angel alone. Although she is only six years old, Angel is convinced Sophia would be better off without her. She runs away and eventually finds herself in a group home for children run by Mitsy, a warm and loving woman with a large community of friends and family who all take part in raising her. They name her Angie and help shape her destiny. Although she struggles to adjust, this extended makeshift family supports her as she grows into a young woman encouraging her to follow her dreams. As Angie puts together the puzzle pieces of her life, she must decide if she can truly move forward without revisiting the past and truly putting it to bed. A moving story of love, family, and survival, An Angel with Secrets follows one very special girl as she grows into a woman who thrives and flourishes against all odds. **The Angel Maker** Alex

North, 2023-02-28 Deeply complex and carefully crafted, this novel is a thrilling question mark all the way to the end, and it puts North's storytelling skills on full display. The Angel Maker is his best so far, a superb addition to his already impressive oeuvre. NPR From the New York Times bestselling author of The Whisper Man and The Shadows comes a dark suspenseful new thriller about the mysteries of fate, the unbreakable bond of siblings, and a notorious serial killer who was said to know the future. Growing up in a beautiful house in the English countryside, Katie Shaw lived a charmed life. At the cusp of graduation, she had big dreams, a devoted boyfriend, and a little brother she protected fiercely. Until the day a violent stranger changed the fate of her family forever. Years later, still unable to live down the guilt surrounding what happened to her brother Chris, and now with a child of her own to protect, Katie struggles to separate the real threats from the imagined. Then she gets the phone call: Chris has gone missing and needs his big sister once more. Meanwhile, Detective Laurence Page is facing a particularly gruesome crime. A distinguished professor of fate and free will has been brutally murdered just hours after firing his staff. All the leads point back to two old cases: the gruesome attack on teenager Christopher Shaw and the despicable crimes of a notorious serial killer whose legend had it could see the future. **Comfort for the tears Light for the way** Melissa Desveaux, 2016-10-21

Comfort for the tears Light for the way is a collection of memoirs written by those who have suffered the devastating loss of a child before, during, or after birth. These families share their courageous pregnancy journeys through miscarriage, stillbirth, IVF, and premature births. Powerfully evocative, Comfort for the tears Light for the way is a collective memoir of grief and hope. The Braiding of Diverse Lives Marti Eicholz, 2017-11-21
