

Some were founder members of Beat or Punk, others just passing through. But all of them...rockers, rebels, artists and intellectuals ...revealed more to Victor Bockris than they did to any other writer.

Bockris is always electrifying. These fly-on-the-wall encounters are written in a style that is classy, risky and often highly explicit. His conclusion (that while Punk owed Beat a big debt, the Beats were in turn re-animated by the Punks) is argued from the viewpoint of someone who was in the thick of it ... and who loved every minute of it.
