Shutting the Door to the Kingdom of God Eric Michael Wilson,2022-08-20 This book uses the New World Translation of the Holy Scriptures to prove that all the teachings of Jehovah s Witnesses concerning the Last Days and the good news of salvation are unscriptural The author an elder of Jehovah s Witnesses for 40 years shares the results of the last ten years of his research into such Watch Tower teachings as the 1914 invisible presence of Christ the overlapping generation doctrine the failed prophecies of 1925 and 1975 the fact that the Governing Body had evidence long ago showing that 607 BCE was not the date of the Babylonian exile and most important of all the abundant evidence that the salvation hope offered to the JW Other Sheep is a Rutherford invention wholly without support in Scripture He also shares his experience on how Witnesses who continue to believe in Jehovah and Jesus can move beyond JW org without sacrificing their faith This is a must read for any Jehovah s Witness who is a seeker of truth and unafraid to put his or her beliefs to the test *Falling in Truth: The Education of a Jehovah's Witness* Steve McRoberts, **The Orwellian World of Jehovah's Witnesses** Heather Denise Harden Botting,Gary Botting,1984-01-01 Discusses the history and religious doctrines of the Jehovah s Witnesses and examines the parallels between the religion and George Orwell s novel 1984 *Expecting Armageddon* Jon R. Stone,2013-09-05 The expectation of an end to time and the yearning for a millennial paradise have been recurring themes in Western religious thought But when we speak of expectation of the world s end we are mindful of the fact that generation after generation of millenarians have been disappointed Their endtime hopes and prophecies have not come true What happens one might ask when prophecies fail Does failure spell the end of the very movements that embrace such expectations The aim of this anthology is to gather together in one volume the essential research from the fields of sociology and psychology that seeks to answer this intriguing question as first raised by Festinger in his 1956 work *When Prophecy Fails* Cross cultural and comparative this collection chronicles forty years of research into failed prophecy and response to the attending cognitive dissonance it produces that is at once timely and informative Jehovah's Witnesses Edmond C.
