

BUDGETING
Don't spend money unnecessarily. Child can't tell the difference between a \$200 toy and a dollar spoon your neighbour threw away. When Child can tell the difference, Child is poor like you.

LEAVING THE HOUSE
If in doubt, bring it. Unintentionally wandering out with wallet, keys, phone, and a baby bottle in your back pocket is risky. Ever tried changing an expensive nappy using your wallet, keys, or phone? Good luck with that.

EXPECTATIONS
Expect to spend exhausting amounts of time with Child, without expecting Child to do much. Sometimes you will be overwhelmed by your love for Child and sometimes you will be overwhelmed by boredom. Both are OK.

Babyshock A Survival Guide For The New Mother
