Midwifery is a unique and invaluable companion for students practising midwives educators and anyone who needs to understand the challenging and rewarding work of midwifery **What If?** Christy Clarke, 2008-03 In *What If* Contemplations of an Undergrad author Christy Clarke has compiled several of her most passionate beliefs and contemplations Beginning with a bit of insight into the author's personality and reasons for writing this book Clarke then delves into the debate between science and religion and offers an explanation of her own personal ontology However the primary focus of this book is on animal rights consciousness and experimentation Arguments are made to provoke contemplation of what different areas of research have suggested about these controversial issues in hopes of arousing greater popular interest in them Among the controversial topics it explores are connecting animal cruelty to human slavery a consideration and response to the debate between science and religion and an investigation of what alternative health therapies contribute to the debate over nonhuman animal consciousness Significant research and thought has gone into each of the pages in this book and its enthusiastic arguments are sure to provoke reader contemplation whether one agrees or disagrees with the author's additional arguments and decision to acknowledge and embrace personal biases rather than try to work outside of them *Bach Flower Remedies Workbook* Stefan Ball, 1998 *Rescue Your Dog from Fear* Peggy O. Swager, 2015-02-01 When dealing with previously abused or naturally skittish dogs it's easy to get frustrated Often all we want is to tell our beloved pets there is no need to be afraid When Peggy Swager adopted two mill dogs from her local rescue center all the books in the world couldn't help her ease her new pups But what she was able to accomplish using her past experience training horses was astounding This book brings to dog owners and dog trainers newer and proven ways to help resolve fear issues in their dogs from being around people to aversion to being in a crate or traveling in a car From explaining the root of his timid behavior to handling aggression and adjusting your own tone of voice you'll have all the information needed to make your companion feel safe and loved Valuable for the average dog owner rescue organizations and dog trainers who have not had success with their fearful dogs *One with the One* Emily Jean Entwistle, 2021-03-21 Emily Jean Entwistle a former executive and material girl with a mystical bent was badly damaged by a childhood rife with sexual and psychological abuse In *one with the One* she shares a story of transformation because of a soul level agreement to evolve through suffering into wholeness and joy Entwistle chronicles her path to wholeness offering details of her life She was adopted into a frightening home and was a virtual prisoner until age eighteen She was to die and go to heaven just when she reached tenuous stability as an adult She returned from heaven back to her broken body for the sake of another and was taught through service that the greatest law of life is love In this memoir she tells how conscious communion with God can be experienced by anyone While her story illustrates how this happened to her it offers guidance on how others can experience this too Through her trials and triumphs Entwistle has learned that we are eternal beings floating in a sea of love Her journey from darkness to light teaches the truth that we are co creators being led back with the greatest love of all to conscious
