

A romantic scene featuring a man and a woman in a close embrace. The man, on the left, has short brown hair and is wearing a red shirt. The woman, on the right, has long blonde hair and is wearing a light-colored, possibly white, dress. They are positioned in front of a dark, textured background that looks like a forest at night. Numerous red rose petals are falling around them, creating a soft, romantic atmosphere. The lighting is warm and focused on the couple.

Bachelor Kisses:

A Bachelor's Romance Martha Morton, 1912 *Grant & I: Inside and Outside the Go-Betweens* Robert Forster, 2017-08-14 In early 77 I asked Grant if he'd form a band with me. No was his blunt reply. Grant McLennan didn't want to be in a band. He couldn't play an instrument. Charlie Chaplin was his hero du jour. However, when Robert Forster began weaving shades of Hemingway, Genet, Chandler, and Joyce into his lyrics, Grant was swayed, and the 80s indie sensation The Go-Betweens was born. These friends would collaborate for three decades until Grant's tragic premature death in 2006. Beautifully written like lyrics like prose, *Grant & I* is a rock memoir akin to no other. Part making-of-part music industry exposé, part buddy book, this is a delicate and perceptive celebration of creative endeavour. With wit and candour, Robert Forster pays tribute to a band who found huge success in the margins, who boldly pursued a creative vision, and whose beating heart was the band's friendship.

The Bachelor's Wife Tamara Knight, 2010-12 Gage Stanton is a wealthy workaholic whose parents' sham of a marriage has given him less than ideal opinions about the lifelong commitment. Leah Morgan is the single mother of feisty six-year-old twin boys and also has a skewed outlook on marriage, having been burned by love once before. So what happens when the two are thrust together by a marriage contract drawn up by their scheming but well-meaning grandfathers? Both Gage and Leah have much to lose by refusing to follow the terms of the legal document, so a name-only marriage commences. Gage's well-ordered existence and Leah's hectic but manageable world are thrown into a tailspin. But having to put on an act for the public soon develops into much more than the type of relationship Gage and Leah had vowed to avoid at all costs. Find out what befalls this workaholic of a bachelor and skeptic single mom when they agree to abide by the contract and wind up with much more than they bargained for in *The Bachelor's Wife*.

The Go-Betweens David Nichols, 2011-12-01 When Robert Forster and Grant McLennan formed the Go-Betweens in Brisbane in 1977, they were determined to be different. They were angular, spare, and poetic when crashing directness was the prevailing style. Their heroes were Dylan, Creedence, and Television, when it was more fashionable to cite the Stooges and the New York Dolls. Their attitude was as punk as any one's, but their lyrical guitar pop stood in sharp contrast to the trends of the day. The Go-Betweens story is a fascinating one. With cornerstone drummer Lindy Morrison and later additional members Robert Vickers and Amanda Brown, the band recorded six albums in the 1980s that are among the finest work of the decade and earned them a reputation as the ultimate cult band. And as one reviewer of the original 1997 edition of this book noted, "Unlike most rock groups, the Go-Betweens had personalities as well as talent, which makes for a compelling read, even if you're not yet a fan." David Nichols relates the Go-Betweens story with wit and verve, and for this edition, he completely updated the book, adding chapters on the members' subsequent solo careers in the 1990s, the subsequent reuniting of Forster and McLennan under the Go-Betweens name, and the band's flourishing second life in the new millennium, tragically cut short by the sudden death of Grant McLennan in 2005.
