Back Door To Richmond The Bermuda Hundred Campaign April June 1864:

Back Door to Richmond William Glenn Robertson, 1987 Drawing upon hundreds of sources including over sixty unpublished accounts *Back Door to Richmond* is the first book length study of the Bermuda Hundred Campaign As such it significantly modifies the standard interpretation of the campaign which held that the Federal effort was an abject failure caused almost entirely by the blundering of an incompetent Benjamin Butler who allowed his army to be bottled up by a smaller Confederate force Robertson shows that Butler's operations instead achieved a significant degree of success by gaining an important base disrupting Confederate supply lines for nearly two weeks and distracting 20 000 Confederate troops until late May Butler's inability to achieve more lofty goals must therefore be shared by Grant whose concept of the campaign remained confused throughout and by Butler's principal subordinates whose contentious behavior caused numerous tactical errors In sum *Back Door to Richmond* provides a new view of an important yet usually neglected or misunderstood Civil War campaign It represents a major reassessment of a crucial event in Benjamin Butler's military career and casts a new light on the generalship of Grant and Beauregard It also provides further evidence for the technological revolution sweeping nineteenth century military affairs Professional Journal of the United States Army, 1988

Schmutz, 2009-06-08 *The Battle of the Crater* is one of the lesser known yet most interesting battles of the Civil War This book detailing the onset of brutal trench warfare at Petersburg Virginia digs deeply into the military and political background of the battle Beginning by tracing the rival armies through the bitter conflicts of the Overland Campaign and culminating with the siege of Petersburg and the battle intended to lift that siege this book offers a candid look at the perception of the campaign by both sides Hidden History of Civil War Williamsburg Carson O. Hudson Jr., 2019 Each year thousands of visitors from around the country visit the Colonial Williamsburg Foundation's re created eighteenth century capital of Virginia to learn about the past and walk where the Founding Fathers walked The fact
