Ada Ferrer

Back From The Future Cuba Under Castro:

Back From the Future Susan Eva Eckstein, 2004-03-01 This book has long been regarded as the definitive history of Castro's communist regime beginning in 1959 through the 1990s. This updated second edition contains a new epilogue by the author that covers the last decade including such newsworthy events as the Elian Gonzalez controversy, the growing immigrant community of Cuban Americans in Florida, the role of Cuban Americans in the 2000 presidential election, the withering U.S. sales embargo, and the inevitable transition of power now that Castro is in his mid 70s. **Back From the**

Future Susan Eva Eckstein, 2004-03-01 This book has long been regarded as the definitive history of Castro's communist regime beginning in 1959 through the 1990s. This updated second edition contains a new epilogue by the author that covers the last decade including such newsworthy events as the Elian Gonzalez controversy, the growing immigrant community of Cuban Americans in Florida, the role of Cuban Americans in the 2000 presidential election, the withering U.S. sales embargo, and the inevitable transition of power now that Castro is in his mid 70s. **Back from the Future** Susan Eckstein, 2003 This updated second edition contains a new epilogue by the author that covers the last decade including such newsworthy events as the Elian Gonzalez controversy and the growing immigrant community of Cuban Americans in Florida. *Personalism and*

Personalist Regimes Alex Baturo, Luca Anceschi, Francesco Cavatorta, 2024-07-04 Personalist leaders such as Russia's Vladimir Putin, Belarus's Alexander Lukashenko, or Venezuela's Nicol's Maduro are increasingly prominent players in the international landscape; their motivations and policies, however, are poorly understood. The regimes they lead are difficult to examine mostly because of their most defining feature: an inordinate concentration of power in the hands of one single individual. Yet personalist leaders do not rule alone; even if they do not always govern through institutional channels. How do personalist regimes really work? How do their rulers acquire and maintain personal control? How does contemporary personal rule differ from how it was practised during the Cold War? These are the key questions addressed in *Personalism and Personalist Regimes*, which offers a systematic examination of the logic of personalism or personalist rule, tackling comprehensively the study of personalist leaders and personalist regimes. The book is underpinned by a theoretical framework that combines historical and comparative analyses brought forward through a series of detailed country studies authored by a distinguished group of comparativists and area studies experts. The book also revisits and builds upon *Sultanistic Regimes*, the seminal study by H.E. Chehabi and Juan Linz. In contrast to *Sultanistic Regimes*, which studied sultanism, an extreme form of personalism, *Personalism and Personalist Regimes* examines personal rule on its full continuum, from Turkey under Erdoğan or Venezuela under Maduro to Turkmenistan under Berdimuhamedov or Libya under Gaddafi. Because personalism or personal rule can be present across all regimes, the book also includes several studies of personalism and institutions in party dictatorships, China or Cuba, amongst others. **Cuba (Winner of the Pulitzer Prize)** Ada Ferrer, 2021-09-07 WINNER OF THE PULITZER PRIZE IN HISTORY WINNER OF THE LOS ANGELES TIMES BOOK PRIZE

IN HISTORY Full of lively insights and lucid prose The Wall Street Journal an epic sweeping history of Cuba and its complexities to the United States from before the arrival of Columbus to the present day written by one of the world's leading historians of Cuba In 1961 at the height of the Cold War the United States severed diplomatic relations with Cuba where a momentous revolution had taken power three years earlier For more than half a century the stand off continued through the tenure of ten American presidents and the fifty year rule of Fidel Castro His death in 2016 and the retirement of his brother and successor Ra l Castro in 2021 have spurred questions about the country's future Meanwhile politics in Washington Barack Obama's opening to the island Donald Trump's reversal of that policy and the election of Joe Biden have made the relationship between the two nations a subject of debate once more Now award winning historian Ada Ferrer delivers an important The Guardian and moving chronicle that demands a new reckoning with both the island's past and its relationship with the United States Spanning more than five centuries Cuba An American History provides us with a front row seat as we witness the evolution of the modern nation with its dramatic record of conquest and colonization of slavery and freedom of independence and revolutions made and unmade Along the way Ferrer explores the sometimes surprising often troubled intimacy between the two countries documenting not only the influence of the United States on Cuba but also the many ways the island has been a recurring presence in US affairs This is a story that will give Americans unexpected insights into the history of their own nation and in so doing help them imagine a new relationship with Cuba readers will close this fascinating book with a sense of hope The Economist Filled with rousing stories and characters and drawing on more than thirty years of research in Cuba Spain and the United States as well as the author's own extensive travel to the island over the same period this is a stunning and monumental account like no other Debating Cuban Exceptionalism L. Whitehead, B.

Hoffman, 2016-04-30 This volume traces the developments in Cuba following the fall of the Berlin Wall and the subsequent definitive demise of state socialism Topics covered include the reasons for the persistence of the Cuban model and an examination of the interaction between elite and non elite actors as well as between domestic and international forces

The State, Bureaucracy, And The Cuban Schools Sheryl L. Lutjens, 2019-05-29 In the mid 1980s Cuba began a process of rectificacion a reform process that has bucked the trends of economic and political liberalization that are reshaping the global order Sustaining an official commitment to socialism in the face of economic crisis and international pressures Cuba's survival seems puzzling indeed Sheryl Lutjens uses the C Escape to Miami Elizabeth Campisi, 2016-05-13 While the Naval base in Guant namo Bay Cuba is well known for its infamous prison camp few people are aware of its prior use as an immigrant detention center for Haitian and Cuban refugees Beginning in August 1994 the United States government declared that thousands of Cubans who had launched themselves into the Florida Straits on rickety rafts were illegal refugees and sent them to join over fifteen thousand Haitians already being held on Guant namo after fleeing a violent coup in Haiti Escape to Miami recounts the gripping stories of the rafters who were detained in Guant namo during the 1994 1996

Cuban Rafter Crisis After working in the camps for a year as an employee of the U S Justice Department Elizabeth Campisi conducted life history interviews with twelve of the rafters chronicling their departures from Cuba their rafting trips life on the base and their initial experiences in Cuban Miami Through these remarkable narratives the book details the ways in which the rafters used creative expression such as performance and artwork to cope with the traumas they experienced in the camp Campisi explores these coping mechanisms showing that when people work through individually traumatic experiences as a group the new meanings they create during that process can come together to change existing cultures or create new ones Vivid and engaging *Escape to Miami* gives voice to the untold stories of Guant namo This book is a must read for anyone interested in policy Latin American history and human rights *Kinship, Love, and Life Cycle in Contemporary Havana, Cuba* Heidi Härkönen, 2016-04-21 *Kinship Love and Life Cycle in Contemporary Havana* Cuba is an ethnographic analysis of gender kinship and love in contemporary Cuba The book documents how low income Havana residents negotiate their social relations through gendered caring practices over the life cycle from birth to death *The Cuba Reader* Aviva Chomsky, Barry Carr, Alfredo Prieto, Pamela Maria Smorkaloff, 2019-05-17 Tracking Cuban history from 1492 to the present *The Cuba Reader* includes more than one hundred selections that present myriad perspectives on Cuba s history culture and politics The volume foregrounds the experience of Cubans from all walks of life including slaves prostitutes doctors activists and historians Combining songs poetry fiction journalism political speeches and many other types of documents this revised and updated second edition of *The Cuba Reader* contains over twenty new selections that explore the changes and continuities in Cuba since Fidel Castro stepped down from power in 2006 For students travelers and all those who want to know more about the island nation just ninety miles south of Florida *The Cuba Reader* is an invaluable introduction
