Crossing the Great Divide Dr. Charles Frazier, 2023-01-22 In my pursuit of worldly success I became lost in the darkness of the world The road I was walking God gave me signs and detours I choose to ignore I let the enemy lead me into the dark abyss of life Then one day God shined a ray of hope into the darkness and brought me to a dead end road He led I followed and He brought His lost sheep home He spoke I listened and I heard His voice He said let us take our journey and let us go and I will go before thee Genesis 33 12 He would heal me our home marriage and family He would bless us through obedience give me grace I did not deserve He would teach me to have faith in Him as we walked the white rock path to cross the Great Divide to the other side He would teach me as we journeyed to the top of the mountain in search of the lone tree atop the mountain

A Day Apart

Christopher D Ringwald,2008-11-14 The Sabbath is the original feast day a day of joy and freedom from work a holy day that allows us to reconnect with God our fellows and nature Now in a compelling blend of journalism scholarship and personal memoir Christopher D Ringwald examines the Sabbath from Creation to the present weaving together the stories of three families three religions and three thousand years of history A Day Apart is the first book to examine the Sabbath in Judaism Christianity and Islam A marvelously readable book it describes the three weekly holy days the Muslim Juma on Friday the Jewish Shabbat on Saturday and the Christian Lord s Day on Sunday and introduces us to three families including Ringwald s own and shows how they observe the holy day and what it means to them The heart of the book recounts the history of the Sabbath ranging from the Creation story and Moses on Mount Sinai to the teachings of Jesus and Muhammad the impact of the Protestant Reformation and the Industrial Revolution and the rise of the modern weekend Ringwald shows that the Sabbath instinct to observe a special day of withdrawal and repose is universal Indeed all religions and philosophies teach that life is more than toil that time should be set aside for contemplation enjoyment and culture In today s frantic 24 7 world the Sabbath a day devoted to rest and contemplation has never been more necessary A Day Apart offers a portrait of a truly timeless way to escape the everyday world and add meaning to our lives I can not recall reading anything on the three faiths that so deftly engages them in robust conversation Amazingly learned Ringwald nonetheless has a light friendly touch The warmth of his soul is unmistakable Christian Century

Mortality and Faith David Horowitz,2019-05-21 Mortality and Faith is the second half of an autobiography of David Horowitz whose first installment Radical Son was published more than twenty years ago It completes the account of his life

from where the first book left off to his seventy eighth year In contrast to Radical Son whose focus was his political odyssey Mortality and Faith was conceived as a meditation on age and on our common progress towards an end which is both final and opaque These primal facts affect all we see and do and force us to answer the questions as to why we are here and where we are going with conjectures that can only be taken on faith Consequently an equally important theme of this work is its exploration of the beliefs we embrace to answer these questions and how the answers impact our lives
