Don't Tease the Cowboy Sandy Appleyard,2025-05-19 A double life A broken heart A few bad actors And a lesson learned that spells out four letters but are they love or dead Cassidy s only hurting because of his past life And it ain t my fault that we ve got something in common that doesn t rub him right But nothing spells trouble like what s going on at his brother s ranch Except when Cassidy s past catches up to me and he s got a problem with me for it The nerve I soon learn though that he s got his reasons and they re good ones too It takes a tragedy for me to learn the difference Luckily he s right there with me to see me through Until his brother s past catches up with him too And that s when we re all in trouble and at the worst time because it s right when my sister Jade and her love Blair say their vows Karma is a real problem Karma s got nothing to do with it It s all about sense And Crystal didn t have much of it in the beginning Mixing with this and that but all this time I didn t know why she was avoiding what was right in front of her It takes time for it to sink in but when it does it also takes guts for her to confront her demons and be honest for the first dang time in her life Fear is a powerful thing And when you ve been driven by it your whole life hiding from it too it s something to figure that all out Especially when it comes clear after tragedy It s the look in her eyes that draws me in see That look that I hadn t ever seen before I just hope that I get to see that look for a long time but I m not sure after what happens at Blair s wedding maybe that look will haunt me for the rest of my life or maybe it ll be my dearest blessing *Falling for a Shy Cowboy* Karen Baney,2023-12-19 She s a single mom rebuilding her life He s the shy cowboy who s loved her from afar Can
