I.M. Wright's Hard Code Eric Brechner, 2011-07-15 Get the brutal truth about coding testing and project management from a Microsoft insider who tells it like it is I M Wright s deliberately provocative column Hard Code has been sparking debate amongst thousands of engineers at Microsoft for years And now despite our better instincts we re making his opinions available to everyone In this collection of over 80 columns Eric Brechner s alter ego pulls no punches with his candid commentary and best practice solutions to the issues that irk him the most He dissects the development process examines tough team issues and critiques how the software business is run with the added touch of clever humor and sardonic wit His ideas aren t always popular not that he cares but they do stimulate discussion and imagination needed to drive software excellence Get the unvarnished truth on how to Improve software quality and value from design to security Realistically manage project schedules risks and specs Trim the fat from common development inefficiencies Apply process improvement methods without being an inflexible fanatic Drive your own successful satisfying career Don t be a dictator develop and manage a thriving team Companion Web site includes Agile process documents Checklists templates and other resources

Meanings & Co. Alin Olteanu, Andrew Stables, Dumitru Borțun, 2018-07-10 This book explores the interdisciplinarity of semiotics and communication studies comprising both theoretical explorations and semiotic applications to communication with theoretical bearings These disciplines have generally been understood as mutually implicit but there still are many unexplored research avenues in this area particularly on a conceptual level The book offers broad insights into the epistemological relations between semiotics and other approaches to communication from perspectives such as sociology philosophy of language and communication theory As such it sheds light on the communication of knowledge Semiotics is currently enjoying increasing popularity within the humanities and social sciences Understood as relational logic Charles Peirce or hermeneutics structuralism and poststructuralism semiotics fundamentally implies certain positions with regard to communication Because of the generality and conceptual vagueness of semiosis and communication how one elucidates the other is still an underexplored theme With some pioneering studies of this relation the books examines various fields such as language code learning embodiment political communication media cinema cuisine multimodality and intertextuality

Baseball Is America Victor Alexander Baltov Jr, Victor Alexander Baltov, 2010 America s Pastime with its foreign taproot origination evolved into the game as we know it Baseball is traced from its European roots plus much deeper sources including Adam and Eve ballplayers and the Olympic Games competitive sport Baseball beats to the rhythm of the American culture sometimes as its direction and other times its reflection The goodness of the game is reflected in both the players serving as role models for America s youth with the Yankee Clipper leading the charge plus inducing positive progressive change including breaking the color barrier in 1947 with Jackie as a Brooklyn Dodger The sheer ugliness of the game bore its soul to the American public during the Synthetic Era as characterized by serpentine type Congressional hearings involving

Music as Image Benjamin Nagari, 2015-06-26 Through a theoretical and practical exploration of Jungian and post Jungian concepts surrounding image this book moves beyond the visual scope of imagery to consider the presence and expression of music and sound as well as how the psyche encounters expanded images archetypal personal or cultural on both conscious and unconscious levels By closely examining music in film Nagari considers music's complementary enhancing meaningful and sometimes disruptive contribution to expressive images Chapters present a Jungian approach to music in film highlighting how music image functions both independently and in conjunction with the visual image and suggesting further directions in areas of research including music therapy and autism Divided into three cumulative parts Part I explores the Jungian psychological account of the music image Part II combines theory with practice in analysing how the auditory image works with the visual to create the film as a whole experience and Part III implements a specific understanding of three individual film cases of different genres eras and styles as psychologically scrutinised case histories Music as Image will be of interest to academics and students in the fields of applied psychoanalysis and Jungian psychology music film and cultural studies With implications for music therapy and other art based therapies it will also be relevant for practising psychotherapists

Eyes Wide Shut Michel Chion, 2019-07-25 Stanley Kubrick died on 7 March 1999 at his Hertfordshire home having finished the editing of his last film Eyes Wide Shut was released later that year Adapted from Arthur Schnitzler's 1926 Viennese novel Dream Story relocated and updated to contemporary Manhattan Eyes Wide Shut stars Tom Cruise and Nicole Kidman as a prosperous couple whose marriage is tested in the aftermath a series of sinister events The film baffled many of its first audiences It had all the lavish attention to detail of a Kubrick film but it seemed slow enigmatic too much of a dream Michel Chion's extraordinary study of Eyes Wide Shut makes the case that it is one of Kubrick's masterpieces and a fitting testament To appreciate this though it is necessary to look at what happens on the screen without bringing preconceptions to bear The film needs to be taken at face value Looked at this way Eyes Wide Shut reveals itself to be a deeply moving film about characters who are not so different from real people a film about life in which questions of meaning and motive lose their value
