Baby Mickeys Opposites:

Baby Mickey's Opposites First Little Golden Book, Golden Books Staff, Golden Books, 1999-12 **Baby Mickey's Book of Opposites**, 1987 They Drew as They Pleased Didier Ghez, 2016-04-05 As the Walt Disney Studio entered its first decade and embarked on some of the most ambitious animated films of the time Disney hired a group of concept artists whose sole mission was to explore ideas and inspire their fellow animators *They Drew as They Pleased* showcases four of these early pioneers and features artwork developed by them for the Disney shorts from the 1930s including many unproduced projects as well as for *Snow White and the Seven Dwarfs*, *Pinocchio* and some early work for later features such as *Alice in Wonderland* and *Peter Pan* Introducing new biographical material about the artists and including largely unpublished artwork from the depths of the Walt Disney Archives and the Disney Animation Research Library this ebook offers a window into the most inspiring work created by the best Disney artists during the studio's early golden age *They Drew as They Pleased* is the first in what promises to be a revealing and fascinating series of books about Disney's largely unexamined concept artists with six volumes spanning the decades between the 1930s and 1990s Copyright 2015 Disney Enterprises Inc All rights reserved **The Opposite of Love** Julie Buxbaum, 2008-01-29 With perfect pitch for the humor and heartbreak of everyday life Julie Buxbaum has fashioned a heroine who will be instantly recognizable to anyone who has loved and lost and loved again When successful twenty nine year old Manhattan attorney Emily Haxby ends her happy relationship just as her boyfriend is on the verge of proposing she can't explain to even her closest friends why she did it Somewhere beneath her sense of fun her bravado and her independent exterior Emily knows that her breakup with Andrew has less to do with him and more to do with her You're your own worst enemy her best friend Jess tells her It's like you get pleasure out of breaking your own heart As the holiday season looms and Emily contemplates whether she made a huge mistake the rest of her world begins to unravel she is assigned to a multimillion dollar lawsuit where she must defend the very values she detests by a boss who can't keep his hands to himself her Grandpa Jack a charming feisty octogenarian and the person she cares most about in the world is losing it while her emotionally distant father has left her to cope with this alone and underneath it all fading memories of her deceased mother continue to remind her that love doesn't last forever How this brave original young heroine finally decides to take control of her life and face the fears that have long haunted her is the great achievement of Julie Buxbaum's marvelous first novel Written with the authority grace and wisdom of an author far beyond her years *The Opposite of Love* heralds the debut of a remarkable talent in contemporary fiction Dead Opposite George Douglas, 2025-09-23 In the early morning of February 17 1991 a nineteen year old Yale student on his way home from a party was shot through the heart on a New Haven street by a single bullet from a 22 caliber handgun His wallet with forty six dollars inside was left intact beside him As murders go it was senseless motiveless and as random as a blindly flung stone The boy was white privileged and widely loved a scholar and athlete with a future that seemed assured The boy accused in

his killing a sixteen year old gang member from the inner city was an angry desperate youth whose life careened almost daily as ghetto lives often do between the never distant prospects of jail and death Dead Opposite is the story of these two boys and of the boys and men fathers and mothers sisters and brothers and friends who peopled their lives Geoffrey Douglas tells the story of hope and hopelessness ignorance and rage of waste and courage and loss But above all it is the story of the chasm that divides us one from the other black from white rich from poor the suburbs of Chevy Chase Maryland from the squalor and despair of New Haven s meanest streets You will see and hear both stories And by the end you not only will have touched the differences of race wealth education and hope but will have seen and heard also the commonness that links us all the love of a parent the dreams of a child that joins us one to the other as the humans we finally sometimes sadly are
