Strike of the Sailfish Stephen L. Moore, 2023-12-05 A gripping true life thriller about the first US submarine to sink a Japanese aircraft carrier and the sub's tragic twist of fate In 1939 off the New England coast the submarine USS Squalus accidentally sinks to the bottom of the sea during a training exercise killing half her crew Coming to the rescue is the USS Sculpin in many ways the Squalus's twin As their oxygen supply dwindles the remaining crew aboard the Squalus are saved in a time consuming white knuckle operation Eventually the sunken submarine is raised repaired and returned to duty with a new name the Sailfish Four years later on patrol during the darkest days of the Pacific War the Sailfish's radarman picks up the tell tale signs of a Japanese convoy known by U S intelligence to include aircraft carriers the most formidable of all enemy ships Never before has an American submarine taken down a carrier much less in the middle of a typhoon Immediately the crewmen swing into action embarking on a deadly game of cat and mouse as this once dead boat evades enemy cruisers to stalk closer and closer to their prized target Little do they know that aboard the Japanese carrier are survivors of an attack on the USS Sculpin the very boat that saved the Squalus turned Sailfish back in '39 Author Stephen L Moore takes readers inside the nine hour duel narrating the action aboard both the Sailfish and the doomed carrier where the American POWs fight against all odds to save their own lives before the ship goes down Employing a wealth of new information including long lost survivors accounts fresh interviews with the last of the sub's crew and official patrol reports Strike of the Sailfish is the thrilling story of this strange chapter of naval history The Bravest Man William Tuohy, 2009-03-04 There's no margin for mistakes in submarines You're either alive or dead Richard O Kane Hailed as the ace of aces captain Richard O Kane winner of the Congressional Medal of Honor for his consummate skill and heroism as a submarine skipper sank more enemy ships and saved more downed fliers than anyone else Now Pulitzer Prize winning author William Tuohy captures all the danger the terror and the pulse pounding action of undersea combat as he chronicles O Kane's wartime career from his valiant service as executive officer under Wahoo skipper Dudley Mush Morton to his electrifying patrols as commander of the USS Tang and his incredible escape with eight other survivors after Tang was sunk by its own defective torpedo Above all The Bravest Man is the dramatic story of mavericks who broke the rules and set the pace to become a new breed of hunter killer submariners who waged a unique brand of warfare These undersea warriors would blaze their own path to victory and transform the Silent Service into the deadliest fighting force in the Pacific USS Pampanito Gregory F Michno, 2016-01-12 Most World War II submarine stories are glorifications of war written by submarine captains about their own boats But the USS Pampanito was not a typical submarine The sub and its crew caused plenty of destruction but they found the pinnacle of their honor and fame in a dramatic sea rescue Gregory F Michno relates the experiences of the crewmen both enlisted men and officers who served on the USS Pampanito The Pampanito story begins with the boat's construction in 1943 continues through its six combat missions and concludes with its decommissioning after the war in 1945 The heart of the book is the September 12 1944 attack on a Japanese convoy carrying English and Australian
